- 12.2.6 the Board may resolve that a class of shares is to become a participating security and may at any time determine that a class of shares shall cease to be a participating security.
- 12.3 Where any class of shares is a participating security and the Company is entitled under any provisions of the Companies Acts or the rules made and practices instituted by the Operator of any relevant system or under these Articles to dispose of, forfeit, enforce a lien or sell or otherwise procure the sale of any shares which are held in uncertificated form, such entitlement (to the extent permitted by the Regulations and the rules made and practices instituted by the Operator of the relevant system) shall include the right to:

In particular, any provision of these Articles which requires or envisages that action will be taken in reliance on information contained in the Register shall be construed so as to permit that action to be taken in reliance on information contained in any relevant record of securities (as so maintained and reconciled)
- 12.5 Without prejudice to the foregoing provisions of this Article 11, the Directors reserve the right to require that any shares acquired by persons in the United States or US Persons be issued in registered and certificated form, and that such shares may not be transferred into CREST or any other paperless system without the prior approval of the Company. In such case, approval will only be granted if such person seeks to transfer the shares and (if requested) delivers to the Company a written certification in form and substance satisfactory to the Directors, containing a representation that the transfer is being made:
- (a) in an “offshore transactions” complying with the provisions of Regulation S under the Securities Act to a person outside the United States and not known by the transferor to be a US Person, by prearrangement or otherwise; or
 - (b) to the Company or a subsidiary thereof.

SHARE CERTIFICATES

13 Right to certificates

- 13.1 On becoming the holder of any share in certificated form, every person (except a recognised person in respect of whom the Company is not by law required to complete and have ready for delivery a certificate) shall be entitled, without charge, to have issued within two months after allotment or lodgement of a transfer (unless the terms of issue of the shares provide otherwise) one certificate for all of the shares of that class registered in his name. Such certificate shall specify the number and class of the shares in respect of which it is issued and the amount or respective amounts paid up thereon and shall be issued as provided in Article 135.
- 13.2 The Company shall not be bound to issue more than one certificate in respect of shares held jointly by two or more persons. Delivery of a certificate to the person first named on the Register shall be sufficient delivery to all joint holders.
- 13.3 Where a member (other than a recognised person) has transferred part only of the shares comprised in a certificate, he shall be entitled without charge to a certificate for the balance of such shares. Where a member receives more shares of any class, he shall be entitled without charge to a certificate for the extra shares of that class.
- 13.4 No certificate representing shares of more than one class or in respect of shares held by a recognised person shall be issued.
- 13.5 This Article 13 does not apply to uncertificated shares.

14 Replacement certificates

- 14.1 Any two or more certificates representing shares of any one class held by any member may at his request be cancelled and a single new certificate for such shares issued in lieu without charge on surrender of the original certificates for cancellation.
- 14.2 If any member shall surrender for cancellation a share certificate representing shares held by him and request the Company to issue in lieu thereof two or more share certificates representing such shares in such proportions as he may specify, the Board may, if it thinks fit, comply with such request.
- 14.3 Share certificates may be renewed or replaced on such terms as to provision of evidence and indemnity (with or without security) and to payment of any exceptional out-of-pocket expenses, including those incurred by the Company in investigating such evidence and preparing such indemnity and security, as the Board may decide, and on surrender of the original certificate (where it is defaced, damaged or worn out), but without any further charge.
- 14.4 In the case of shares held jointly by several persons, any such request as is mentioned in this Article 14 may be made by any one of the joint holders.
- 14.5 This Article 14 does not apply to uncertificated shares.

LIEN ON SHARES

15 Lien on shares not fully paid

The Company shall have a first and paramount lien on each of its shares which is not fully paid, for all amounts payable to the Company (whether presently or not) in respect of that share to the extent and in the circumstances permitted by the Companies Acts. The Board may waive any lien which has arisen and may resolve that any share shall for some limited period be exempt wholly or partially from the provisions of this Article.

16 Enforcement of lien by sale

The Board may sell all or any of the shares subject to any lien at such time or times and in such manner as it may determine. However, no sale shall be made until such time as any money in respect of which such lien exists is presently payable or the liability or engagement in respect of which such lien exists is liable to be presently fulfilled or discharged, and until notice in writing shall have been served on the holder or the person (if any) entitled by transmission to the shares, demanding the amount due or specifying the liability or engagement and demanding payment or fulfilment or discharge thereof and giving notice of intention to sell if default in payment, fulfilment or discharge shall continue for 14 clear days after service of such notice. For giving effect to any such sale, the Board may authorise some person to execute an instrument of transfer of the shares sold in the name and on behalf of the holder or the person (if any) entitled by transmission in favour of the purchaser or as the purchaser may direct. The purchaser shall not be bound to see to the application of any purchase consideration nor shall his title to the shares be affected by any act, omission, irregularity or invalidity relating to or connected with the proceedings in reference to the sale.

17 Application of proceeds of sale

The net proceeds of any sale of shares subject to any lien, after payment of the expenses of sale, shall be applied in or towards satisfaction of so much of the amount due to the Company or of the liability or engagement (as the case may be) as is presently payable or is liable to be presently fulfilled or discharged. The balance (if any) shall (on surrender to the Company for cancellation of the certificate for the shares sold, and subject to a like lien for any money not presently payable or any liability or engagement not liable to be presently fulfilled or discharged

as existed on the shares before the sale) be paid (without interest) to the holder or the person (if any) entitled by transmission to the shares so sold.

CALLS ON SHARES

18 Calls

Subject to the terms of allotment of shares, the Board may from time to time make calls on the members in respect of any money unpaid on the shares of any class held by them respectively (whether in respect of nominal value or premium) and not payable on a date fixed by or in accordance with the terms of issue. A call may be required to be paid by instalments. Each member shall (subject to receiving at least 14 clear days' notice specifying when and where payment is to be made and whether or not by instalments) be liable to pay the amount of every call so made on him as required by the notice. A call shall be deemed to have been made at the time when the resolution of the Board authorising such call was passed or (as the case may require) any person to whom power has been delegated pursuant to these Articles serves notice of exercise of such power. A call may, before receipt by the Company of any sum due thereunder, be either revoked or postponed in whole or part as regards all or any such members as the Board may determine. A person on whom a call is made shall remain liable notwithstanding the subsequent transfer of the shares in respect of which the call was made.

19 Liability of joint holders

The joint holders of a share shall be jointly and severally liable for the payment of all calls in respect thereof.

20 Interest on calls

If the whole of the sum payable in respect of any call is not paid on or before the day appointed for payment, the person from whom it is due and payable shall pay all costs, charges and expenses that the Company may have incurred by reason of such non-payment, together with interest on the unpaid amount from the day appointed for payment thereof to the day of actual payment (both days inclusive) at the rate fixed by the terms of the allotment of the share or in the notice of the call or, if no rate is so fixed at such rate, not exceeding 15 per cent. per annum (compounded on a 6-monthly basis) (or such lower rate as the Board may determine). The Board may waive payment of such costs, charges, expenses or interest in whole or in part.

21 Rights of member when call unpaid

Unless the Board otherwise determines, no member shall be entitled to receive any dividend or to be present and vote at a general meeting or at any separate general meeting of the holders of any class of shares either in person or (save as proxy for another member) by proxy, or be reckoned in a quorum, or to exercise any other right or privilege as a member in respect of a share held by him unless and until he shall have paid all calls for the time being due and payable by him in respect of that share, whether alone or jointly with any other person, together with interest and expenses (if any) payable by such member to the Company.

22 Sums due on allotment treated as calls

Any sum payable in respect of a share on allotment or at any fixed date, whether in respect of the nominal value of the share or by way of premium or as an instalment of a call, shall for the purposes of these Articles be deemed to be a call duly made. If it is not paid, the provisions of these Articles shall apply as if such amount had become due and payable by virtue of a call.

23 Power to differentiate

The Board may make arrangements on the allotment or issue of shares for a difference as between the allottees or holders of such shares in the amount and time of payment of calls.

24 Payment in advance of calls

The Board may, if it thinks fit, receive from any member willing to advance the same all or any part of the moneys uncalled and unpaid on the shares held by him. Such payment in advance of calls shall extinguish *pro tanto* the liability on the shares in respect of which it is made. The Company may pay interest on the money paid in advance, or so much of it as exceeds the amount for the time being called up on the shares in respect of which such advance has been made, at such rate as the Board may decide. The Board may at any time repay the amount so advanced on giving to such member not less than three months' notice in writing of its intention to do so, unless before the expiration of such notice the amount so advanced shall have been called up on the shares in respect of which it was advanced.

FORFEITURE OF SHARES

25 Notice if call not paid

If any member fails to pay the whole of any call or any instalment of any call on or before the day appointed for payment, the Board may at any time serve a notice in writing on such member or on any person entitled to the shares by transmission requiring payment, on a date not less than 14 clear days from the date of the notice, of the amount unpaid and any interest which may have accrued thereon and any costs, charges and expenses incurred by the Company by reason of such non-payment. The notice shall name the place where the payment is to be made and state that, if the notice is not complied with, the shares in respect of which such call was made will be liable to be forfeited.

26 Forfeiture for non-compliance

If the notice referred to in Article 25 is not complied with, any share in respect of which it was given may, at any time before the payment required by the notice has been made, be forfeited by a resolution of the Board to that effect. Such forfeiture shall include all dividends declared or other money payable in respect of the forfeited shares and not paid before the forfeiture.

27 Notice after forfeiture

When any share has been forfeited, notice of the forfeiture shall be served on the person who was before forfeiture the holder of the share or the person entitled to such share by transmission (as the case may be). An entry of such notice having been given and of the forfeiture with the date thereof shall forthwith be made in the Register in respect of such share. However, no forfeiture shall be invalidated by any omission to give such notice or to make such entry as aforesaid.

28 Forfeiture may be annulled

The Board may, at any time before any share so forfeited has been cancelled or sold, re-allotted or otherwise disposed of, annul the forfeiture, on the terms that payment shall be made of all calls and interest due thereon and all expenses incurred in respect of the share and on such further terms (if any) as the Board shall see fit.

29 Surrender

The Board may accept a surrender of any share liable to be forfeited. In such case, references in these Articles to forfeiture shall include surrender.

30 Disposal of forfeited shares

Every share which is forfeited shall on forfeiture become the property of the Company. Subject to the provisions of the Companies Acts, any forfeited share may be sold, re-allotted or

otherwise disposed of, either to the person who was the holder before forfeiture or otherwise entitled to the share, or to any other person, on such terms and in such manner as the Board shall determine. The Board may, for the purposes of the disposal, authorise some person to transfer the share in question and may enter the name of the transferee in respect of the transferred share in the Register, notwithstanding the absence of any share certificate being lodged in respect of the share and may issue a new certificate to the transferee. An instrument of transfer executed by that person shall be as effective as if it had been executed by (as the case may be) the holder (if any) of, or the person entitled by transmission to, the share. The Company may receive the consideration (if any) given for the share on its disposal.

31 Effect of forfeiture

A shareholder whose shares have been forfeited shall cease to be a member in respect of the shares forfeited and shall, in the case of a holder of certificated shares, surrender to the Company for cancellation the certificate for such shares. He shall nevertheless be liable to pay to the Company all calls made and not paid on such shares at the time of forfeiture, and interest thereon at 15 per cent. per annum (or such lower rate as the Board may determine) from the date of the forfeiture to the date of payment (both dates inclusive), in the same manner in all respects as if the shares had not been forfeited, and to satisfy all (if any) claims, demands and liabilities which the Company might have enforced in respect of the shares at the time of forfeiture, without any reduction or allowance for the value of the shares at the time of forfeiture or for any consideration received on their disposal.

32 Extinction of claims

The forfeiture of a share shall involve the extinction at the time of forfeiture of all interest in and all claims and demands against the Company in respect of the share and all other rights and liabilities incidental to the share as between the holder (if any) whose share is forfeited (or the person entitled by transmission to the forfeited share as the case may be) and the Company, except only such of those rights and liabilities as are by these Articles expressly saved, or as are by the Companies Acts given or imposed in the case of past members.

33 Evidence of forfeiture

A statutory declaration by a Director or the Secretary that a share has been forfeited pursuant to these Articles, and stating the date on which it was forfeited, shall, as against all persons claiming to be entitled to that share, be conclusive evidence of the facts therein stated. The declaration, together with the receipt by the Company for the consideration (if any) given for the share on the sale or disposition thereof and a certificate for the share delivered to the person to whom the same is sold or disposed of, shall (subject if necessary to the execution of an instrument of transfer) constitute a good title to the share. Subject to the execution of any necessary transfer, such person shall be registered as the holder of the share and shall be discharged from all calls made prior to such sale or disposition and shall not be bound to see to the application of any purchase consideration, nor shall his title to the share be affected by any act, omission, irregularity or invalidity relating to or connected with the proceedings in reference to the forfeiture or disposal of the share. Such person shall not (except by express agreement with the Company) become entitled to any dividend which might have accrued on the share before the completion of the sale or disposition thereof.

TRANSFER OF SHARES

34 Form of transfer

Subject to such of the restrictions of these Articles as may be applicable, each member may transfer all or any of his shares which are in certificated form by instrument of transfer in writing in any usual form or in any form approved by the Board. Such instrument shall be executed by or on behalf of the transferor and (in the case of a transfer of a share which is not fully paid up) by or on behalf of the transferee. The transferor shall be deemed to remain the holder of such

share until the name of the transferee is entered in the Register in respect of it. All instruments of transfer which are registered may be retained by the Company.

35 Right to refuse registration

35.1 The Board may, in its absolute discretion, refuse to register any transfer of a share in certificated form (or renunciation of a renounceable letter of allotment) which is not fully paid provided that if the share has been admitted to trading on a regulated market, such refusal does not prevent dealings in the shares taking place on an open and proper basis. The Board may, in its absolute discretion, also refuse to register a transfer of a share in certificated form (whether fully paid or not) unless:

35.1.1 it is in respect of only one class of shares;

35.1.2 it is in favour of a single transferee or not more than four joint transferees;

35.1.3 it is duly stamped (if so required); and

35.1.4 it is not in favour of a Non-Qualified Holder.

35.1.5 it is delivered for registration to the Office or such other place as the Board may from time to time determine, accompanied (except in the case of (a) a transfer by a recognised person where a certificate has not been issued, (b) a transfer of an uncertificated share or (c) a renunciation) by the certificate for the share to which it relates and such other evidence as the Board may reasonably require to prove the title of the transferor or person renouncing and the due execution of the transfer or renunciation by him or, if the transfer or renunciation is executed by some other person on his behalf, the authority of that person to do so.

35.2 Without prejudice to Article 35.1, the Board may refuse to register a transfer of an uncertificated share in such other circumstances as may be permitted or required by the Regulations and the relevant system (as defined by the Regulations).

35.3 The Directors may, at their absolute discretion, decline to register any transfer of shares in certificated form to any person, to whom a sale or transfer of shares, or whose direct, indirect or beneficial ownership of shares, would or might:

(a) cause the Company to be required to register as an "investment company" under the US Investment Company Act (including because the holder of the shares is not a "qualified purchaser" as defined in the US Investment Company Act) or to lose an exemption or status thereunder to which it might otherwise be entitled;

(b) cause the Company to be required to register under the US Commodity Exchange Act;

(c) cause the Company to be required to register under the US Exchange Act or any similar legislation;

(d) cause the Company not to be considered a "foreign private issuer" as such term is defined in rule 3b-4(c) under the US Exchange Act;

(e) result in any shares being owned, directly or indirectly, by Benefit Plan Investors;

(f) cause the assets of the Company to be considered "plan assets" under the Plan Asset Regulations;

(g) cause the Company to be a "controlled foreign corporation" for the purposes of the US Internal Revenue Code;

- (h) result in withholding obligations on payments to such person in connection with FATCA or otherwise prevent the Company from qualifying as, or complying with any obligations or requirements imposed on, a "Participating FFI" within the meaning of US Treasury Regulation Section 1.1471-1(b)(85) or a "deemed-compliant FFI" within the meaning of US Treasury Regulation Section 1.1471-5(f); or
- (i) cause the Company to be in violation of the US Investment Company Act, the US Exchange Act, the US Commodity Exchange Act, ERISA, the US Internal Revenue Code or any applicable federal, state, local, non-US or other laws or regulations that are substantially similar to section 406 of ERISA or Section 4975 of the US Internal Revenue Code,

(each person described in (a) to (i) (inclusive) above being a **Non-Qualified Holder**).

35.4 Transfers of shares will not be registered in the circumstances referred to in Article 79.

36 Notice of and reasons for refusal

- 36.1 If the Board refuses to register a transfer of a share it shall, as soon as practicable and in any event within two months after the date on which the transfer was lodged with the Company, send notice of the refusal to the transferee, together with its reasons for the refusal. Any instrument of transfer which the Board refuses to register shall (except in the case of suspected or actual fraud) be returned to the person depositing it.
- 36.2 The first sentence of Article 36.1 applies in relation to uncertificated shares as if the reference to the date on which the transfer was lodged with the Company were a reference to the date on which the appropriate instruction was received by or on behalf of the Company in accordance with the facilities and requirements of the relevant system. The second sentence of Article 36.1 does not apply to uncertificated shares.

37 Fees on registration

No fee shall be charged for registration of a transfer or on the registration of any probate, letters of administration, certificate of death or marriage, power of attorney, notice or other instrument relating to or affecting the title to any shares.

38 Compulsory transfer

- 38.1 If it shall come to the notice of the Board that any shares are owned directly, indirectly, or beneficially by a Non-Qualified Holder, the Board may give notice to such person requiring him either (i) to provide the Board within thirty days of receipt of such notice with sufficient satisfactory documentary evidence to satisfy the Board that such person is not a Non-Qualified Holder; or (ii) to sell or transfer his shares to a person who is not a Non-Qualified Holder within thirty days and within such thirty days to provide the Board with satisfactory evidence of such sale or transfer. Pending such sale or transfer the Board may suspend the exercise of any voting or consent rights and rights to receive notice of, or attend, meetings of the Company and any rights to receive dividends or other distributions with respect to such shares, and the holder shall repay the Company any amounts distributed to such holder by the Company during the time such holder held such shares.
- 38.2 If any person upon whom such a notice is served pursuant to this Article 37 does not within thirty days after such notice either (i) sell or transfer his shares to a person who is not a Non-Qualified Holder and establish to the satisfaction of the Board (whose judgment shall be final and binding) that such a sale or transfer has occurred or (ii) establish to the satisfaction of the Board (whose judgment shall be final and binding) that he is not a Non-Qualified Holder; the Board may, in its absolute discretion, arrange for the Company to sell the share at the best price reasonably obtainable to any other person so that the shares will cease to be held by a Non-Qualified Holder, in which event the Company may take any action whatsoever that the Board

considers necessary in order to effect the transfer of such shares by the holder of such shares and the Company shall pay the net proceeds of sale to the former holder upon its receipt of the sale proceeds and the surrender by him of the relevant share certificate or, if no certificate has been issued, such evidence as the Board may reasonably require to satisfy themselves as to his former entitlement to the shares and to such net proceeds of sale and the former holder shall have no further interest in the relevant shares or any claim against the Company in respect thereof. No trust will be created and no interest will be payable in respect of such net proceeds of sale

- 38.3 A person who becomes aware that they are or may be a Non-Qualified Holder shall forthwith notify the Company in writing.

39 Other powers in relation to transfers

Nothing in these Articles shall preclude the Board from:

- (a) recognising a renunciation of the allotment of any share by the allottee in favour of some other person; or
- (b) authorising any person to transfer that share in accordance with any procedures implemented pursuant to Article 16.

TRANSMISSION OF SHARES

40 On death

If a member dies, the survivors or survivor, where he was a joint holder, and his executors or administrators, where he was a sole or the only survivor of joint holders, shall be the only persons recognised by the Company as having any title to his shares. Nothing in these Articles shall release the estate of a deceased member from any liability in respect of any share which has been solely or jointly held by him.

41 Election of person entitled by transmission

- 41.1 Any person becoming entitled to a share in consequence of the death or bankruptcy of any member, or of any other event giving rise to a transmission of such entitlement by operation of law, may, on such evidence as to his title being produced as the Board may require, elect either to become registered as a member or to have some person nominated by him registered as a member. If he elects to become registered himself, he shall give notice to the Company to that effect. If he elects to have some other person registered, he shall execute an instrument of transfer of such share to that person. All the provisions of these Articles relating to the transfer of shares shall apply to the notice or instrument of transfer (as the case may be) as if it were an instrument of transfer executed by the member and his death, bankruptcy or other event as aforesaid had not occurred. Where the entitlement of a person to a share in consequence of the death or bankruptcy of a member or of any other event giving rise to its transmission by operation of law is proved to the satisfaction of the Board, the Board shall within two months after proof cause the entitlement of that person to be noted in the Register.
- 41.2 For the purposes referred to in Article 41.1, a person entitled by transmission to a share in uncertificated form who elects to have some other person registered shall either:
- 41.2.1 procure that instructions are given by means of the relevant system to effect the transfer of such uncertificated share to that person; or
 - 41.2.2 change the uncertificated share into certificated form and execute an instrument of transfer of that certificated share in favour of that person.

42 Rights on transmission

Where a person becomes entitled to a share in consequence of the death or bankruptcy of any member, or of any other event giving rise to a transmission of such entitlement by operation of law, the rights of the holder in relation to such share shall cease. However, the person so entitled may give a good discharge for any dividends and other money payable in respect of it and shall have the same rights to which he would be entitled if he were the holder of the share, except that he shall not, before he is registered as the holder of the share, be entitled in respect of it to receive notice of, or to attend or vote at, any meeting of the Company or at any separate meeting of the holders of any class of shares. The Board may at any time give notice requiring any such person to elect either to be registered himself or to transfer the share. If the notice is not complied with within 60 days, the Board may thereafter withhold payment of all dividends and other money payable in respect of such share until the requirements of the notice have been complied with.

DESTRUCTION OF DOCUMENTS

43 Destruction of documents

43.1 The Company may destroy:

- 43.1.1 any instrument of transfer, after six years from the date on which it is registered;
- 43.1.2 any dividend mandate or any variation or cancellation thereof or any notification of change of name or address, after two years from the date on which it is recorded;
- 43.1.3 any share certificate, after one year from the date on which it is cancelled; and
- 43.1.4 any other document on the basis of which any entry in the Register is made, after six years from the date on which an entry was first made in the Register in respect of it,

provided that the Company may destroy any such type of document at a date earlier than that authorised by this Article if a copy of such document is made and retained (whether made electronically, by microfilm, by digital imaging or by any other means) until the expiration of the period applicable to the destruction of the original of such document.

43.2 It shall be conclusively presumed in favour of the Company that every entry in the Register purporting to have been made on the basis of a document so destroyed was duly and properly made, that every instrument of transfer so destroyed was duly registered, that every share certificate so destroyed was duly cancelled, that every other document so destroyed had been properly dealt with in accordance with its terms and was valid and effective in accordance with the particulars in the records of the Company, provided that:

- 43.2.1 this Article 43 shall apply only to the destruction of a document in good faith and without notice of any claim (regardless of the parties to it) to which the document might be relevant;
- 43.2.2 nothing in this Article 43 shall be construed as imposing on the Company any liability in respect of the destruction of any such document otherwise than as provided for in this Article 43 which would not attach to the Company in the absence of this Article 43;
- 43.2.3 references in this Article 43 to instruments of transfer include, in relation to uncertificated shares, instructions and/or notifications made in accordance with the relevant system relating to the transfer of such shares; and
- 43.2.4 references in this Article 43 to the destruction of any document include references to the disposal of it in any manner.

ALTERATION OF SHARE CAPITAL

44 Increase, consolidation, cancellation, sub-division and redenomination

The Company may from time to time exercise the powers conferred by the CA 2006 to:

- 44.1 increase its share capital by allotting new shares of such nominal value as the Board may determine;
- 44.2 consolidate and divide all or any of its share capital into shares of a larger nominal amount than its existing shares;
- 44.3 sub-divide its shares or any of them into shares of a smaller nominal amount, and may by such resolution determine that, as between the shares resulting from such sub-division, one or more of the shares may, as compared with the others, have any such preferred, deferred or other special rights or be subject to any such restrictions as the Company has power to attach to unissued or new shares; and
- 44.4 redenominate its share capital by converting shares from having a fixed nominal value in one currency to having a fixed nominal value in another currency.

45 Fractions

- 45.1 Whenever as the result of any consolidation, division or sub-division or redenomination of shares any holders would become entitled to fractions of a share, the Board may, on behalf of those holders:
 - 45.1.1 sell the shares representing the fractions for the best price reasonably obtainable to any person (including, subject to the provisions of the Companies Acts, the Company) and distribute the net proceeds of sale after deduction of the expenses of sale in due proportion among those holders (except that any amount otherwise due to a holder, being less than £5.00 or such other sum as the Board may from time to time determine, may be retained for the benefit of the Company); or
 - 45.1.2 the Board may issue to such holder credited as fully paid by way of capitalisation the minimum number of shares required to round up his holding to an exact multiple of the number of shares to be consolidated into a single share (such issue being deemed to have been effected prior to consolidation); and the amount required to pay up such shares shall be appropriated at the Board's discretion from any of the sums standing to the credit of any of the Company's reserve accounts (including share premium account and capital redemption reserve) or to the credit of profit and loss account and capitalised by applying the same in paying up the share. In relation to such a capitalisation the Board may exercise all the powers conferred on it by Article 152 without an ordinary resolution of the Company.
- 45.2 Subject to the provisions of the Companies Acts, the Board may treat shares of a holder in certificated form and in uncertificated form as separate holdings in giving effect to sub-divisions and/or consolidations and may cause any shares arising on sub-division or consolidation and representing fractional entitlements to be entered in the Register as shares in certificated form where this is desirable to facilitate the sale thereof.
- 45.3 For the purposes of any sale of consolidated shares pursuant to Article 45.1, the Board may authorise a person to execute an instrument of transfer of the shares to, or in accordance with, the directions of the purchaser, and the transferee shall not be bound to see to the application of any purchase consideration, nor shall his title to the shares be affected by any act, omission, irregularity or invalidity relating to or connected with the proceedings in reference to the sale. In respect of uncertificated shares, the Board may authorise some person to transfer and/or require the holder to transfer the relevant shares in accordance with the facilities and requirements of the relevant system.

46 Reduction of capital

Subject to the provisions of the Companies Acts and to any rights for the time being attached to any shares, the Company may by special resolution reduce its share capital, any capital redemption reserve, share premium account or other undistributable reserve in any way.

47 Purchase of own shares

- 47.1 Subject to the provisions of the Companies Acts, to any rights for the time being attached to any shares and to any requirements imposed by the Listing Rules, the Company may purchase, or may enter into a contract under which it will or may purchase, any of its own shares of any class (including any redeemable shares). Any shares to be so purchased may be selected in any manner whatsoever.
- 47.2 The Company may not exercise any right in respect of treasury shares held by it, including any right to attend or vote at meetings, to participate in any offer by the Company to members or to receive any distribution (including in a winding-up), but without prejudice to its right to sell the treasury shares, to transfer the shares for the purposes of or pursuant to an employees' share scheme, to receive an allotment of shares as fully paid bonus shares in respect of the treasury shares or to receive any amount payable on redemption of any redeemable treasury shares
- 47.3 Subject to the Board first having exercised its discretion to operate the Tender Facility, members may request the repurchase of all or part of their holding of Ordinary Shares for cash pursuant to the Tender Facility. Such purchase will be effected in accordance with the provisions of the Companies Acts.

VARIATION OF CLASS RIGHTS

48 Sanction to variation

Subject to the provisions of the Companies Acts, if at any time the share capital of the Company is divided into shares of different classes, any of the rights for the time being attached to any shares (whether or not the Company may be or is about to be wound up) may from time to time be varied or abrogated in such manner (if any) as may be provided in these Articles by such rights or, in the absence of any such provision, either with the consent in writing of the holders of not less than three-quarters in nominal value of the issued shares of the relevant class (excluding any shares of that class held as treasury shares) or with the sanction of a special resolution passed at a separate general meeting of the holders of shares of the class duly convened and held in accordance with the Companies Acts.

49 Class meetings

All the provisions in these Articles as to general meetings shall, with any necessary modifications, apply equally to every meeting of the holders of any class of shares. The Board may convene a meeting of the holders of any class of shares whenever it thinks fit and whether or not the business to be transacted involves a variation or abrogation of class rights. The quorum at every such meeting shall be not less than two persons present (in person or by proxy) holding at least one-third of the nominal amount paid up on the issued shares of the relevant class (excluding any shares of that class held as treasury shares) provided that a person present by proxy is treated as holding only the shares in respect of which the proxy is authorised to exercise voting rights. Every holder of shares of the class (other than a holder of treasury shares), present in person or by proxy, may demand a poll. If at any adjourned meeting of such holders a quorum is not present, one person holding shares of the relevant class (whatever the number of shares held by him but excluding any shares of that class held as treasury shares) who is present in person or by proxy shall be a quorum.

50 Deemed variation

Subject to the terms of issue of or rights attached to any shares, the rights for the time being attached to any shares shall not be deemed to be varied or abrogated by the creation or issue of any new shares ranking *pari passu* in all respects (save as to the date from which such new shares shall rank for dividend) with or subsequent to those already issued or by the reduction of the capital paid up on such shares or by the purchase or redemption by the Company of its own shares or the sale of any shares held as treasury shares in accordance with the provisions of the Companies Acts and these Articles.

MEETINGS

51 Annual general meetings

Subject to the provisions of the Companies Acts, annual general meetings shall be held at such time and place or places and on such date as the Board may determine.

52 Convening of general meeting other than annual general meeting

The Board may convene a general meeting, other than an annual general meeting, whenever it thinks fit. At any such general meeting convened on a members' requisition or by the requisitionists no business shall be transacted except that stated by the requisition or proposed by the Board. If there are within the United Kingdom insufficient members of the Board to convene such a general meeting, any Director may call such a general meeting.

52A General meetings

52.1 The Board shall determine in relation to each general meeting the means of attendance at and participation in the meeting, including whether the persons entitled to attend and participate in the general meeting shall be enabled to do so by simultaneous attendance and participation at a physical place (or places, in accordance with Article 53.8) anywhere in the world determined by it, and partly by means of an electronic facility or facilities determined by it in accordance with Article 53.9

52.2 Nothing in these Articles shall prevent a general meeting being held only at a physical place (or places, in accordance with Article 53.8) but the Board may not convene a general meeting solely by means of an electronic facility or facilities.

53 Notice of general meetings and meetings in different places or in more than one format

53.1 A general meeting shall be convened by not less than such notice as may be required by law from time to time and the Company may give such notice by any means or combination of means permitted by law.

53.2 Subject to the provisions of the Companies Acts, and notwithstanding that it is convened by shorter notice than that specified in this Article 0, a meeting shall be deemed to have been duly convened if it is so agreed:

53.2.1 in the case of an annual general meeting, by all the members entitled to attend and vote at the meeting; and

53.2.2 in the case of any other general meeting, by a majority in number of the members having a right to attend and vote at the meeting, being a majority together holding not less than 95 per cent. in nominal value of the shares giving that right.

53.3 The notice of any general meeting shall specify:

- 53.3.1 whether the meeting is convened as an annual general meeting or any other general meeting;
 - 53.3.2 the place, the day and the time of the meeting;
 - 53.3.3 the general nature of the business to be transacted at the meeting;
 - 53.3.4 if the meeting is convened to consider a special resolution, the text of the resolution and the intention to propose the resolution as such; and
 - 53.3.5 with reasonable prominence, that a member entitled to attend and participate is entitled to appoint one or (provided each proxy is appointed to exercise the rights attached to a different share held by the member) more proxies to attend and to speak and participate instead of him and that a proxy need not also be a member.
- 53.4 If the Board determines that a general meeting shall be held (wholly or partly) at a physical place or places, the notice shall specify the place or places (and any satellite meeting place determined in accordance with Article 53.8 shall be identified as such in the notice).
 - 53.5 If the Board determines that a general meeting shall be held partly by means of an electronic facility or facilities, the notice shall specify the means, or all different means, of attendance and participation determined in accordance with Article 53.9 and any access, identification and security arrangements determined in accordance with Article 63.4.
 - 53.6 The notice shall specify any arrangements made for the purpose of Article 63.2 (making it clear that taking part in those arrangements will not amount to attendance at the meeting to which the notice relates).
 - 53.7 The notice shall be given to the members (other than any who, under the provisions of these Articles or of any rights or restrictions imposed on any shares, are not entitled to receive notice from the Company), to the Directors and to the Auditors and to any other person who may be entitled to receive it.
 - 53.8 The Board may resolve to enable persons entitled to attend and participate in a general meeting to do so by simultaneous attendance and participation at a satellite meeting place or places anywhere in the world. The members present in person or by proxy at satellite meeting places shall be counted in the quorum for, and entitled to participate in, the general meeting in question, and that meeting shall be duly constituted and its proceedings valid if the Chairman is satisfied that adequate facilities are available throughout the general meeting to ensure that members attending at all the meeting places are able to:
 - 53.8.1 participate in the business for which the meeting has been convened;
 - 53.8.2 hear all persons who speak (whether by the use of microphones, loudspeakers, audio-visual communications equipment or otherwise) in the principal meeting place and any satellite meeting place; and
 - 53.8.3 be heard by all other persons so present in the same way, and the meeting shall be deemed to take place at the principal meeting place.
 - 53.9 The Board may resolve to enable persons entitled to attend and participate in a general meeting to do so partly by simultaneous attendance and participation by means of an electronic facility or facilities and determine the means, or all different means, of attendance and participation used in relation to the general meeting. The members present in person or by proxy by means of an electronic facility or facilities (as so determined by the Board) shall be counted in the quorum for, and be entitled to participate in, the general meeting in question. That meeting shall be duly constituted and its proceedings valid if the Chairman is satisfied that adequate facilities are available throughout the meeting to ensure that members attending the meeting by all means (including the means of an electronic facility or facilities) are able to:

- 53.9.1 participate in the business for which the meeting has been convened;
- 53.9.2 hear all persons who speak at the meeting; and
- 53.9.3 be heard by all other persons attending and participating in the meeting.
- 53.10 In the event of a general meeting at a physical place or places, the Chairman shall be present at, and the meeting shall be deemed to take place at, the principal meeting place and the powers of the Chairman shall apply equally to each satellite meeting place, including his power to adjourn the meeting as referred to in Article 60. Under no circumstances will a failure (for any reason) of communication equipment, or any other failure in the arrangements for participation in the meeting at more than one place, affect the validity of such meeting at the principal meeting place, or any business conducted thereof, or any action taken pursuant thereto.
- 53.11 A person (**Subsidiary Chairman**) shall preside at each of the satellite meeting places (if any). Each Subsidiary Chairman shall be appointed by the Board or by some person to whom the Board has delegated the task. Every Subsidiary Chairman shall have the powers vested in him by or under these Articles. Every Subsidiary Chairman shall keep good order at the location where he is presiding, and he shall have all powers necessary or desirable for that purpose. Every Subsidiary Chairman shall also carry out all requests made of him by or on behalf of the Chairman of the meeting in which he is participating, and he shall have all powers necessary or desirable for that purpose.

54 Omission or failure to send notice or non-receipt of notice

The accidental omission to give or send notice of any meeting or, in cases where it is intended that it be given or sent out with the notice, any other document relating to the meeting, including an appointment of proxy to, or the failure to give notice to or send any documents due to circumstances beyond the Company's control, or the non-receipt of the notice of meeting or any other documents, or the non-receipt of either by, any person entitled to receive the same shall not invalidate the proceedings at that meeting.

55 Postponement of general meetings

If, after the sending of the notice of a general meeting but before the meeting is held, or after the adjournment of a general meeting but before the adjourned meeting is held (whether or not notice of the adjourned meeting is required), the Board, in its absolute discretion, considers that it is impractical or unreasonable for any reason to hold the meeting on the date or at the time or at any place specified in the notice calling the general meeting (including a satellite meeting place to which Article 53.8 applies) and/or by means of an electronic facility or facilities specified in the notice, it may postpone the general meeting to another date, time and/or place (or, in the case of a general meeting to be held at a principal meeting place and a satellite meeting place, to such other places) and/or change the electronic facility or facilities specified in the notice. If such a decision is made, the Board may then change the place (or any of the places in the case of a general meeting to which Article 53.8 applies) and/or the electronic facility or facilities and/or postpone the date and/or time again if it considers that it is reasonable to do so. No new notice of the general meeting need be sent but the Board shall take reasonable steps to ensure that notice of the change of date, time, place (or places, in the case of a general meeting to which Article 53.8 applies) of, and/or electronic facility or facilities for, the postponed meeting appear at the original time and at the original place (or places, in the case of a general meeting to which Article 53.8 applies) and/or on the original electronic facility or facilities. When a general meeting is so postponed, notice of the date, time and place (or places in the case of a general meeting to which Article 53.8 applies), including any electronic facility or facilities if applicable, of the postponed meeting shall be given in such manner as the Board may, in its absolute discretion, determine. No business shall be transacted at any postponed meeting other than business which might properly have been transacted at the meeting had it not been postponed. Notice of the business to be transacted at such postponed meeting shall not be required. If a general meeting is postponed in accordance with this Article, the appointment of a proxy will be valid if it is delivered and received as required by these Articles not less than 48

hours before the time appointed for holding the postponed meeting. The Board may (for the avoidance of doubt) also postpone any meeting which has been re-arranged under this Article.

PROCEEDINGS AT GENERAL MEETINGS

56 Quorum

- 56.1 No business shall be transacted at any general meeting unless a quorum is present when the meeting proceeds to business. Save as otherwise provided in these Articles, two persons entitled to attend and to vote on the business to be transacted, each being a member so entitled or a proxy for a member so entitled or a duly authorised representative of a corporation which is a member so entitled, shall be a quorum.
- 56.2 In calculating whether a quorum is present for the purposes of Article 56.1, if two or more persons are appointed as proxies for the same member or two or more persons are appointed as corporate representatives of the same corporate member, only one of such proxies or only one of such corporate representatives shall be counted.

57 If quorum not present

If within five minutes (or such longer interval as the Chairman in his absolute discretion thinks fit) from the time appointed for the holding of a general meeting a quorum is not present, or if during a meeting such a quorum ceases to be present, the meeting, if convened by or on the requisition of members, shall be dissolved. In any other case, the meeting shall stand adjourned to the same day in the next week at the same time and place, or to later on the same day or to such other day and at such time and place as the Chairman (or, in default, the Board) may determine. If at such adjourned meeting a quorum is not present within five minutes from the time appointed for holding the meeting, one person entitled to vote on the business to be transacted, being a member so entitled or a proxy for a member so entitled or a duly authorised representative of a corporation which is a member so entitled, shall be a quorum.

58 Chairman

The Chairman (if any) of the Board shall preside as chairman at every general meeting of the Company. If there is no Chairman or if at any meeting he is not present within five minutes after the time appointed for holding the meeting, or is unwilling to act as chairman, the Deputy Chairman (if any) of the Board shall (if present and willing to act) preside as chairman at such meeting. If neither the Chairman nor the Deputy Chairman is present and willing to act, the Directors present shall choose one of their number to act or, if there is only one Director present, he shall preside as chairman if willing to act. If no Director is present and willing to act, the members present (in person or by proxy) and entitled to vote on the business to be transacted shall choose one of their number to preside as chairman of the meeting.

58A Documents available for inspection at a meeting

At any general meeting which is held partly by means of an electronic facility or facilities, the Board may make arrangements for any documents which are required to be made available to the meeting to be accessible electronically to members or to their proxies.

59 Entitlement to attend and speak

Each Director shall, notwithstanding that he is not a member, be entitled to attend and speak at any general meeting and at any separate meeting of the holders of any class of shares of the

Company. The Chairman may invite any person to attend and speak at any general meeting where he considers this will assist in the deliberations of the meeting.

60 Power to adjourn

- 60.1 The Chairman may, with the consent of a meeting at which a quorum is present, and shall, if so directed by the meeting, adjourn any meeting from time to time (or indefinitely) and from place to place (or, in the case of a meeting held at a principal meeting place and a satellite meeting place, such other places) and/or by means of such electronic facility or facilities for attendance and participation as the meeting shall determine. However, without prejudice to any other power which he may have under these Articles (including the Chairman's power to adjourn a meeting conferred by Article 60.2 or at common law, the Chairman may, without the need for the consent of the meeting, interrupt or adjourn any meeting (whether or not it has commenced or a quorum is present) from time to time and from place to place (or places, in the case of a meeting to which Article 53.8 applies) or from electronic facility to electronic facility, or for an indefinite period, if he is of the opinion that it has become necessary to do so in order to secure the proper and orderly conduct of the meeting, or to give all persons entitled to do so a reasonable opportunity of attending, speaking and voting at the meeting, or to ensure that the business of the meeting is properly considered and transacted.
- 60.2 If it appears to the Chairman that the facilities at the principal meeting place or any satellite meeting place or an electronic facility or facilities or security at any general meeting being conducted partly by means of an electronic facility have become inadequate for the purposes referred to in Articles 53.8 or 53.9, or are otherwise not sufficient to allow the meeting to be conducted substantially in accordance with the provisions set out in the notice of meeting, then the Chairman shall, without the consent of the meeting, interrupt or adjourn the general meeting.
- 60.3 All business conducted at a meeting up to the time of any adjournment shall, subject to Article 60.4, be valid.
- 60.4 The Chairman may specify that only the business conducted at a meeting up to a point in time which is earlier than the time of adjournment is valid if, in his opinion, to do so would be more appropriate.
- 60.5 Nothing in this Article shall limit any other power vested in the Chairman to adjourn the meeting.

61 Notice of adjourned meeting

Any adjournment pursuant to Article 60**Error! Reference source not found.** may, subject to the Companies Acts, be for such time and with such means of attendance and participation (including at such place or places and/or by means of such electronic facility or facilities) as the Chairman (or, in default, the Board) may in his absolute discretion determine, notwithstanding that by reason of the adjournment some members may be unable to attend and participate in the adjourned meeting. Whenever a meeting is adjourned for 30 days or more or indefinitely, at least seven clear days' notice, specifying the day and time of the adjourned meeting, means of attendance and participation (including at such place or places and/or by means of such electronic facility or facilities) as the Chairman (or, in default, the Board) may in his absolute discretion determine and the general nature of the business to be transacted, shall be given in the same manner as in the case of an original meeting. Save as aforesaid and subject to the Companies Acts, no member shall be entitled to any notice of an adjournment or of the business to be transacted at any adjourned meeting.

62 Business of adjourned meeting

No business shall be transacted at any adjourned meeting other than the business which might properly have been transacted at the meeting from which the adjournment took place.

63 Accomodation of member and security arrangements

- 63.1 The Board may, for the purposes of controlling the level of attendance and ensuring the safety of those attending and participating at any physical place specified for the holding of a general meeting, ensuring the security of the meeting and ensuring the future orderly conduct of the meeting, from time to time make such arrangements (including any arrangements to take account of legislative requirements or government recommendations in relation to attendance at meetings) as the Board shall in its absolute discretion consider to be appropriate and may from time to time vary any such arrangements in place or make new arrangements therefor. Any decision made in good faith under this Article 63.1 shall be final and the entitlement of any member or proxy to attend and participate in a general meeting at such place (or places, in the case of a meeting to which Article 53.8 applies) shall be subject to any such arrangements as may be for the time being approved by the Board.
- 63.2 The Board may make arrangements for persons entitled to attend a general meeting or an adjourned general meeting to be able to hear the proceedings of the general meeting or adjourned general meeting and to speak at the general meeting (whether by use of microphones, loudspeakers, audio-visual communications equipment or otherwise) by attending at a venue anywhere in the world not being a satellite meeting place. Those attending at any such venue shall not be regarded as present at the general meeting or adjourned general meeting and shall not be entitled to vote at the general meeting at or from that venue. The inability for any reason of any member present in person or by proxy at such a venue to view or hear all or any of the proceedings of the general meeting or to speak at the general meeting shall not in any way affect the validity of the proceedings of the general meeting.
- 63.3 The Board may direct that any person wishing to attend any general meeting held at a physical place should provide evidence of identity and submit to such searches or other security arrangements or restrictions (including restrictions on items of personal property which may be taken into the meeting) as the Board shall consider appropriate in the circumstances.
- 63.4 If a general meeting is held partly by means of an electronic facility or facilities, the Board and the Chairman may make any arrangement and impose any requirement or restriction that is:
- 63.4.1 necessary to ensure the identification of those taking part by way of such electronic facility or facilities and the security of the electronic communication; and
- 63.4.2 in its or his view, proportionate to those objectives.
- In this respect, the Board may authorise any voting application, system or facility for attendance and participation as it sees fit.
- 63.5 The Board shall be entitled in its absolute discretion to authorise one or more persons (including the Directors, the Secretary or the Chairman) to refuse physical or electronic entry to, or eject (physically or electronically) from, any meeting any person who fails to provide such evidence of identity or to submit to such searches or to otherwise comply with such security arrangements or restrictions as are required pursuant to Article 63.1, Article 63.3 or Article 63.4, or who causes the meeting to become disorderly.

64 Orderly conduct

Subject to the Companies Acts (and without prejudice to any other powers vested in the Chairman of a meeting) when conducting a general meeting, the Chairman may make whatever arrangements and take such action or give such directions as he considers, in his absolute discretion, to be appropriate or conducive to promote the orderly conduct of the business of the

meeting as laid down in the notice of the meeting, to promote the conduct of such business with reasonable despatch and to maintain good order. The Chairman's decision on points of order, matters of procedure or on matters arising incidentally from the business of the meeting shall be final and conclusive, as shall his determination as to whether any point or matter is of such a nature.

VOTING AND POLLS

65 Method of voting

- 65.1 A resolution put to the vote at a general meeting held partly by means of an electronic facility or facilities shall be decided on a poll, which poll votes may be cast by such electronic means as the Board, in its sole discretion, deems appropriate for the purposes of the meeting. Any such poll shall be deemed to have been validly demanded at the time fixed for the holding of the meeting to which it relates. Subject thereto, at any general meeting held wholly at a physical place or places, a resolution put to a vote of the meeting shall be decided on a show of hands, unless (before or on the declaration of the result of the show of hands) a poll is duly demanded. Subject to the provisions of the Companies Acts, a poll may be demanded by:
- 65.1.1 the Chairman of the meeting; or
 - 65.1.2 at least five members present in person or by proxy and entitled to vote on the resolution; or
 - 65.1.3 a member or members present in person or by proxy representing not less than 10 per cent. of the total voting rights of all the members having the right to vote on the resolution (excluding any voting rights attached to shares held as treasury shares); or
 - 65.1.4 a member or members present in person or by proxy holding shares conferring a right to vote on the resolution, being shares on which an aggregate sum has been paid up equal to not less than 10 per cent. of the total sum paid up on all the shares conferring that right (excluding shares in the Company conferring a right to vote on the resolution held as treasury shares).
- 65.2 The Chairman may also demand a poll before a resolution is put to the vote on a show of hands.
- 65.3 At general meetings, resolutions shall be put to the vote by the Chairman and there shall be no requirement for the resolution to be proposed or seconded by any person.

66 Chairman's declaration conclusive on show of hands

Unless a poll is duly demanded and the demand is not withdrawn, a declaration by the Chairman of the meeting that a resolution on a show of hands has been carried, or carried unanimously or by a particular majority, or lost, or not carried by a particular majority, and an entry to that effect in the book containing the minutes of proceedings of the Company, shall be conclusive evidence of the fact, without proof of the number or proportion of the votes recorded for or against such resolution.

67 Objection to or error in voting

No objection shall be raised to the qualification of any voter or to the counting of, or failure to count, any vote, except at the meeting or adjourned meeting or poll at which the vote objected to is given or tendered or at which the error occurs. Any objection or error shall be referred to the Chairman of the meeting and shall only vitiate the decision of the meeting on any resolution if the Chairman decides that the same is of sufficient magnitude to vitiate the resolution or may otherwise have affected the decision of the meeting. Any vote which is not disallowed at such a

meeting or poll shall be valid for all purposes. The decision of the Chairman on such matters shall be final and conclusive.

68 Amendment to resolutions

- 68.1 If an amendment is proposed to any resolution under consideration but is in good faith ruled out of order by the Chairman of the meeting, any error in such ruling shall not invalidate the proceedings on the substantive resolution.
- 68.2 In the case of a resolution duly proposed as a special resolution, no amendment thereto (other than an amendment to correct a patent error) may be considered or voted on.
- 68.3 In the case of a resolution duly proposed as an ordinary resolution, no amendment thereto (other than an amendment to correct a patent error) may be considered or voted on, unless either (a) at least 48 hours prior to the time appointed for holding the meeting or adjourned meeting at which such ordinary resolution is to be proposed, notice in writing of the terms of the amendment and intention to move the same has been lodged at the Office or (b) the Chairman of the meeting in his absolute discretion decides that it may be considered or voted on. The Chairman of the meeting may agree to the withdrawal of any proposed amendment before it is voted on at the meeting.

69 Procedure on a poll

- 69.1 A poll duly demanded on the election of the Chairman of a meeting or on any question of adjournment shall be taken forthwith. A poll duly demanded on any other matter shall be taken in such manner (including the use of ballot or voting papers or electronic means, or any combination thereof) and at such time, not being more than 30 days from the date of the meeting or adjourned meeting at which the poll was demanded, and by such means of attendance and participation (including at such place or places and/or by means of such electronic facility or facilities), as the Chairman shall direct. The Chairman may appoint scrutineers who need not be members. No notice need be given of a poll not taken immediately if the time and place and means by which it is to be taken are announced at the meeting at which it is demanded. In any other case, at least seven clear days' notice shall be given, specifying the time and place and means by which the poll is to be taken. The result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
- 69.2 The demand for a poll (other than on the election of the Chairman of the meeting or any question of adjournment) shall not prevent the continuance of the meeting for the transaction of any business, other than the question on which a poll has been demanded. If a poll is demanded before the declaration of the result on a show of hands and the demand is duly withdrawn, the meeting shall continue as if the demand had not been made.
- 69.3 The demand for a poll may be withdrawn at any time before the poll is taken, but only with the consent of the Chairman of the meeting. A demand so withdrawn shall not invalidate the result of a show of hands declared before the demand was made.
- 69.4 On a poll votes may be given in person or by proxy. A member entitled to more than one vote need not, if he votes, use all his votes or cast all the votes he uses in the same way.

70 Votes of members

- 70.1 Subject to the provisions of the Companies Acts, to Article 73, to any special terms as to voting on which any shares may have been issued or may for the time being be held and to any suspension or abrogation of voting rights pursuant to these Articles, at any general meeting every member who is present in person shall, on a show of hands, have one vote, every proxy who has been appointed by a member entitled to vote on the resolution shall, on a show of hands, have one vote and every member present in person or by proxy shall, on a poll, have one vote for each share of which he is the holder

- 70.2 Where a shareholder vote is required to be taken in accordance with the Listing Rules, that vote must be decided by a resolution of the holders of the shares that have been admitted to the premium listing segment of the Official List. Where the provisions of the Listing Rules require that the resolution must, in addition, be approved by the Independent Shareholders, only Independent Shareholders who hold shares that have been admitted to the premium listing segment shall be entitled to vote on the relevant resolution.

71 Votes of joint holders

If two or more persons are joint holders of a share, then in voting on any question, the vote of the senior who tenders a vote (whether in person or by proxy) shall be accepted to the exclusion of the votes of the other joint holders. For this purpose, seniority shall be determined by the order in which the names of the holders stand in the Register.

72 Votes of member suffering incapacity

- 72.1 Where, in England or elsewhere, a receiver or other person (by whatever name called) has been appointed by any court claiming jurisdiction in that behalf to exercise powers with respect to the property or affairs of any member on the ground (however formulated) of mental disorder, the Board may, in its absolute discretion, on or subject to the production of such evidence of the appointment as the Board may require, permit such receiver or other person to vote in person or, on a poll, by proxy on behalf of such member at any general meeting.
- 72.2 Evidence to the satisfaction of the Board of the authority of the person claiming to exercise the right to vote shall be deposited at the Office, or deposited or received at such other place or address as is specified in accordance with these Articles for the deposit or receipt of appointments of proxy, not less than 48 hours before the time appointed for holding the meeting or adjourned meeting at which the right to vote is to be exercised, and in default the right to vote shall not be exercisable.

72A Validity of meeting

All persons seeking to attend or participate in a general meeting by way of an electronic facility or facilities shall be responsible for maintaining adequate facilities to enable them to do so. Subject only to the requirement for the Chairman to adjourn a general meeting in accordance with the provisions of Article 60.2, any inability of a person or persons to attend or participate in a general meeting by way of an electronic facility or facilities shall not invalidate the proceedings of that meeting.

PROXIES AND CORPORATE REPRESENTATIVES

73 Voting by proxy

- 73.1 Any person (whether a member of the Company or not) may be appointed to act as a proxy and more than one proxy may be appointed provided that each proxy is appointed to exercise the rights attached to a different share or shares held by the member. The appointment of a proxy or proxies shall not preclude a member from attending and voting in person on a show of hands or on a poll on any matters in respect of which the proxy or proxies is or are appointed. In the event that and to the extent that a member personally votes his shares, his proxy shall not be entitled to vote and any vote cast by a proxy or proxies in such circumstances shall be ignored.
- 73.2 When two (or more) valid but differing appointments of proxy are received in respect of the same share for use at the same meeting and in respect of the same matter, the one which is last validly received (regardless of its date or of the date of its execution or submission) shall be treated as replacing and revoking the other or others as regards that share. If the Company is

unable to determine which appointment was last validly received, none of them shall be treated as valid in respect of that share.

74 Form of proxy

- 74.1 The appointment of a proxy or proxies shall, subject to the provisions of the Companies Acts:
- 74.1.1 be in writing, in any common form or in such other form as the Board may approve, and (i) if in writing but not in electronic form, made under the hand of the appointor or of his attorney duly authorised in writing; or, if the appointor is a corporation, under its common seal or under the hand of some officer or attorney or other person duly authorised in that behalf; or (ii) if in writing in electronic form, submitted by or on behalf of the appointor and authenticated;
 - 74.1.2 be deemed (subject to any contrary direction contained in it) to confer authority on the proxy to exercise all or any rights of his or their appointor to demand or join in demanding a poll and to speak at any meeting and to vote (whether on a show of hands or on a poll) on any resolution or amendment of a resolution put to the meeting in respect of which the proxy is given, as the proxy or proxies think(s) fit;
 - 74.1.3 unless the contrary is stated in it, be valid as well for any adjournment of the meeting as for the meeting to which it relates; and
 - 74.1.4 where it is stated to apply to more than one meeting, be valid for all such meetings as well as for any adjournment of any such meetings.
- 74.2 The Board may allow a proxy for a holder of any shares in uncertificated form to be appointed by electronic communication in the form of an uncertificated proxy instruction. The Board may also allow any supplement to the uncertificated proxy instruction or any amendment or revocation of any uncertificated proxy instruction to be made by a further uncertificated proxy instruction.
- 74.3 The Board may decide what method should be used to determine at what time the instruction or notification is treated as being received by the Company. The Board may treat any notification purporting or expressed to be sent on behalf of a holder of a share in uncertificated form as sufficient evidence of the authority of the person sending the instruction to send it on behalf of that holder.
- 74.4 For the purposes of this Article 74, an uncertificated proxy instruction is a properly authenticated dematerialised instruction, and/or other instruction or notification, if sent through a relevant system to a participant in that system chosen by the Board to act for the Company. The uncertificated proxy instruction may be in any form and subject to any terms and conditions that the Board deems appropriate, but always subject to the facilities and requirements of the relevant system.

75 Deposit or receipt of proxy

- 75.1 The appointment of a proxy and the power of attorney or other authority (if any) under which it is authenticated, or a copy of such authority certified notarially or in some other way approved by the Board, shall:
- 75.1.1 in the case of an appointment not in electronic form (including any such power of attorney or other authority) be deposited at the Office, or at such other place (within the United Kingdom) as is specified in the notice convening the meeting or in any notice of any adjourned meeting or in any appointment of proxy sent out by the Company in relation to the meeting, not less than 48 hours before the time appointed for holding the meeting or adjourned meeting at which the person named in the appointment proposes to vote; or

- (a) in the notice convening the meeting; or
- (b) in any instrument of proxy sent out by the Company in relation to the meeting; or
- (c) in any invitation in electronic form to appoint a proxy issued by the Company in relation to the meeting,

75.1.3 in the case of a poll taken more than 48 hours after it is demanded, be deposited or received as aforesaid after the poll has been demanded and not less than 24 hours before the time appointed for taking the poll; or

75.1.4 in the case of a poll not taken forthwith but taken not more than 48 hours after it was demanded, be delivered at the meeting at which the poll was demanded to the Chairman of the meeting or any Director, the Secretary or some other person authorised for the purpose by the Company.

76 Maximum validity of proxy

An appointment of proxy not deposited, delivered or received in the manner specified in Article 75 shall be invalid. No appointment of proxy shall be valid after the expiry of 12 months from the date named in it as the date of its execution or the date of its submission, except at an adjourned meeting or on a poll demanded at a meeting or an adjourned meeting, in cases where the meeting was originally convened within 12 months from such date.

77 Revocation of proxy

A vote given, or demand for a poll made, by a proxy shall be valid notwithstanding the death or mental disorder of the principal or the revocation of the appointment of proxy, or of the authority under which the appointment of proxy was executed, or the transfer of the share in respect of which the appointment of proxy is given, unless notice in writing of such death, mental disorder, revocation or transfer shall have been received by the Company at the Office, or at such other place or address as has been appointed for the deposit or receipt of appointments of proxy:

77.1 in the case of a meeting or adjourned meeting, at least 48 hours before the commencement of the meeting or adjourned meeting;

77.2 in the case of a poll taken more than 48 hours after it was demanded, at least 24 hours before the taking of the poll;

77.3 in the case of a poll not taken forthwith but taken not more than 48 hours after it was demanded, at the meeting at which the poll was demanded;

78 Corporate representatives

A corporation (whether or not a company within the meaning of the Companies Acts) which is a member may, by resolution of its directors or other governing body, authorise such person or persons as it thinks fit to act as its representative or representatives at any meeting of the Company or at any separate meeting of the holders of any class of shares. A Director, the Secretary, or some person authorised for the purpose by the Secretary, may require any representative to produce a certified copy of the resolution so authorising him or such other

evidence of his authority reasonably satisfactory to such Director, Secretary or other person before permitting him to exercise his powers.

79 Failure to disclose interests in shares

- 79.1 Where a member, or any other person appearing to be interested in shares held by that member, has been issued with a notice pursuant to the Companies Acts requiring such person to provide information about his interests in the Company's shares (a **section 793 Notice**) and has failed in relation to any shares (the **default shares**, which expression includes any shares issued after the date of such notice in respect of those shares) to give the Company the information required within the prescribed period from the service of the notice, the following sanctions shall apply unless the Board otherwise determines:
- 79.1.1 the member shall not be entitled (in respect of the default shares) to be present or to vote (either in person or by representative or by proxy) at any general meeting or at any separate meeting of the holders of any class of shares or on any poll, or to exercise any other right conferred by membership in relation to any such meeting or poll; and
- 79.1.2 where the default shares represent at least 0.25 per cent. in nominal value of the issued shares of their class (excluding any shares of that class held as treasury shares):
- (a) any dividend or other money payable in respect of the shares shall be withheld by the Company, which shall not have any obligation to pay interest on it, and the member shall not be entitled to elect, pursuant to Article 150, to receive shares instead of that dividend; and
 - (b) no transfer (other than an excepted transfer) of any shares held by the member shall be registered unless:
 - (i) the member is not himself in default as regards supplying the information required; and
 - (ii) the member proves to the satisfaction of the Board that no person in default as regards supplying such information is interested in any of the shares the subject of the transfer.
- 79.2 For the purposes of Article 79.1.2, the Board may only exercise its discretion not to register a transfer of shares in uncertificated form if permitted to do so by the Regulations, and it may determine to treat shares of a member in certificated and uncertificated form as separate holdings and apply the sanctions only to the former or to the latter or make different provisions for the former and the latter.
- 79.3 Where the sanctions under Article 79.1 apply in relation to any shares, they shall cease to have effect (and any dividends withheld under Article 79.1.2 shall become payable):
- 79.3.1 if the shares are transferred by means of an excepted transfer but only in relation to the shares transferred; or
- 79.3.2 at the end of a period of seven days (or such shorter period as the Board may determine) following receipt by the Company of the information required by the section 793 Notice and the Board being satisfied that such information is full and complete.
- 79.4 Where, on the basis of information obtained from a member in respect of any share held by him, the Company issues a section 793 Notice to any other person, it shall at the same time send a copy of the section 793 Notice to the member, but the accidental omission to do so, or the non-receipt by the member of the copy, shall not invalidate or otherwise affect the application of Article 79.1.

- 79.5 Where default shares in which a person appears to be interested are held by a Depositary, the provisions of this Article 79 shall be treated as applying only to those shares held by the Depositary in which such person appears to be interested and not (insofar as such person's apparent interest is concerned) to any other shares held by the Depositary.
- 79.6 Where the member on which a section 793 Notice is served is a Depositary acting in its capacity as such, the obligations of the Depositary as a member of the Company shall be limited to disclosing to the Company such information relating to any person appearing to be interested in the shares held by it, as has been recorded by it pursuant to the arrangements entered into by the Company, or approved by the Board pursuant to which it was appointed as a Depositary.
- 79.7 For the purposes of this Article 79:
- 79.7.1 a person, other than the member holding a share, shall be treated as appearing to be interested in that share if the member has informed the Company that the person is, or may be, so interested, or if the Company (after taking account of any information obtained from the member or, pursuant to a section 793 Notice, from anyone else) knows or has reasonable cause to believe that the person is, or may be, so interested;
- 79.7.2 **interested** shall be construed as it is for the purpose of section 793 CA 2006;
- 79.7.3 reference to a person having failed to give the Company the information required by a section 793 Notice, or being in default as regards supplying such information, includes, without limitation, reference:
- (a) to his having failed or refused to give all or any part of it; and
 - (b) to his having given information which he knows to be false in a material particular or his having recklessly given information which is false in a material particular;
- 79.7.4 **prescribed period** means 14 days;
- 79.7.5 **excepted transfer** means, in relation to any shares held by a member:
- (a) a transfer by way of or pursuant to acceptance of a takeover offer for the Company (within the meaning of the Companies Acts); or
 - (b) a transfer in consequence of a sale made through a recognised investment exchange or any other stock exchange outside the United Kingdom on which the Company's shares are normally traded; or
 - (c) a transfer which is shown to the satisfaction of the Board to be made in consequence of a *bona fide* sale of the whole of the beneficial interest in the shares to a person who is unconnected with the member or with any other person appearing to be interested in the shares. For the purposes of this sub-paragraph (c), any associate (as defined in the Insolvency Act 1986) shall be included in the class of persons who are connected with the member or any person appearing to be interested in such shares.
- 79.8 Nothing contained in this Article 79 shall be taken to limit the powers of the Company under the Companies Acts to apply to the court for an order imposing restrictions on a person's shares.

UNTRACED MEMBERS

80 Power of sale

- 80.1 The Company shall be entitled to sell at the best price reasonably obtainable any share of a member, or any share to which a person is entitled by transmission, if and provided that:

- 80.1.1 during the period of 12 years immediately prior to the date of the publication of the advertisements referred to in Article 80.1.2 (or, if published on different dates, the earlier or earliest thereof) (the **relevant period**), the Company has paid at least three cash dividends (whether interim or final) on the share and no cash dividend payable on the share has either been claimed or cashed;
- 80.1.2 on or after expiry of the relevant period, the Company has given notice of its intention to sell such share by advertisements in two newspapers, of which one shall be a national newspaper published in the United Kingdom and the other shall be a newspaper circulating in the area of the address on the Register or other last known address of the member or the person entitled by transmission to the share or the address for the service of notices notified under Article 162;
- 80.1.3 the said advertisements, if not published on the same day, shall have been published within 30 days of each other; and
- 80.1.4 during the further period of three months following the date of publication of the said advertisements (or, if published on different dates, the later or latest thereof) and prior to the exercise of the power of sale, the Company has not received any communication in respect of such share from the member or person entitled by transmission.
- 80.2 To give effect to any sale of shares pursuant to this Article, the Board may authorise some person to transfer the shares in question and may enter the name of the transferee in respect of the transferred shares in the Register, notwithstanding the absence of any share certificate being lodged in respect thereof, and may issue a new certificate to the transferee. An instrument of transfer executed by that person shall be as effective as if it had been executed by the holder of, or the person entitled by transmission to, the shares. The purchaser shall not be bound to see to the application of any purchase consideration, nor shall his title to the shares be affected by any act, omission, irregularity or invalidity relating to or connected with the proceedings in reference to the sale.
- 80.3 If, during the relevant period referred to in Article 80.1 or during any period ending on the date when all the requirements of Articles 80.1.1 to 80.1.4 have been satisfied, any additional shares have been issued in respect of those held at the beginning of, or previously so issued during, any such period and all the requirements of Articles 80.1.2 to 80.1.4 have been satisfied in regard to such additional shares, the Company shall also be entitled to sell the additional shares.

81 Application of proceeds of sale

The net proceeds of sale shall belong to the Company which shall account to the member or other person entitled to such share for an amount equal to such net proceeds by carrying all money in respect thereof to a separate account. The Company shall be deemed to be a debtor to, and not a trustee for, such member or other person in respect of such money. Money carried to such separate account may either be employed in the business of the Company or invested in such investments as the Board may from time to time think fit. No interest shall be payable to such member or other person in respect of such money and the Company shall not be required to account for any interest earned thereon.

83 Power of Company to appoint Directors

Subject to the provisions of these Articles, the Company may by ordinary resolution appoint a person who is willing to act to be a Director, either to fill a vacancy or as an addition to the existing Board, but the total number of Directors shall not at any time exceed any maximum number fixed by or in accordance with these Articles.

84 Power of Board to appoint Directors

Without prejudice to the power of the Company in general meeting under these Articles to appoint any person to be a Director, the Board shall have power at any time to appoint any person who is willing to act to be a Director, either to fill a vacancy or as an addition to the existing Board, but the total number of Directors shall not exceed any maximum number fixed by or in accordance with these Articles. Any Director so appointed shall retire at the first annual general meeting of the Company following his appointment.

85 Appointment of executive Directors

The Board, or any committee authorised by the Board, may revoke or terminate any such appointment without prejudice to any claim for damages for breach of any contract between the Director and the Company.

86 Eligibility of new Directors

No person, other than a Director retiring (by rotation or otherwise), shall be appointed or re-appointed a Director at any general meeting unless:

87 Share qualification

A Director shall not be required to hold any shares in the Company.

88 Resolution for appointment of two or more Directors

- 89.1 All Directors shall be put forward for re-election at each annual general meeting of the Company.

90 Position of retiring Director

If he is not re-appointed or deemed to have been re-appointed, he shall retain office until the meeting appoints someone in his place or, if it does not do so, until the end of the meeting.

91 Deemed re-appointment

At any general meeting at which a Director retires under any provision of these Articles, the Company may by ordinary resolution fill the vacancy by electing the retiring Director or some other person who is eligible for appointment and willing to act as a Director. If the Company does not do so, the retiring Director shall (if willing) be deemed to have been re-appointed except in the following circumstances:

- (a) it is expressly resolved not to fill the vacancy;
- (b) a resolution for the re-appointment of the Director is put to the meeting and lost.

92 Removal by ordinary resolution

In addition to any power of removal conferred by the Companies Acts, the Company may by ordinary resolution remove any Director before the expiration of his period of office, but without prejudice to any claim for damages which he may have for breach of any contract of service between him and the Company, and may (subject to these Articles) by ordinary resolution appoint another person who is willing to act to be a Director in his place. Any person so appointed shall be treated, for the purposes of determining the time at which he or any other Director is to retire, as if he had become a Director on the day on which the person in whose place he is appointed was last appointed or re-appointed a Director.

93 Vacation of office by Director

Without prejudice to the provisions for retirement (by rotation or otherwise) contained in these Articles, the office of a Director shall be vacated if:

- 93.1 he resigns by notice in writing delivered to, or, if in electronic form, received by, the Secretary at the Office or tendered at a Board meeting;
- 93.2 he ceases to be a Director by virtue of any provision of the Companies Acts, is removed from office pursuant to these Articles or the Companies Acts or becomes prohibited by law from being a Director;

- 93.4 an order is made by any court of competent jurisdiction on the ground (howsoever formulated) of mental disorder for his detention or for the appointment of a guardian or receiver or other person to exercise powers with respect to his affairs or he becomes a patient for any purpose of any statute relating to mental health and the Board resolves that his office be vacated;
- 93.5 both he and his alternate Director appointed pursuant to the provisions of these Articles (if any) are absent, without the permission of the Board, from Board meetings for six consecutive months and the Board resolves (within 2 months of the date of the last meeting from which he and such alternate Director were absent during such period) that his office be vacated; or

- 93.6 he is requested to resign by notice in writing addressed to him at his address as shown in the register of Directors and authenticated by all the other Directors (without prejudice to any claim for damages which he may have for breach of any contract between him and the Company) and, for this purpose, a set of like notices each authenticated by one or more of the Directors shall be as effective as a single notice authenticated by the requisite number of Directors.

94 Resolution as to vacancy conclusive

A resolution of the Board declaring a Director to have vacated office under the terms of Article 93 shall be conclusive as to the fact and grounds of vacation stated in the resolution.

ALTERNATE DIRECTORS

- 95.1 Each Director (other than an alternate Director) may, by notice in writing delivered to or, if in electronic form, received by the Secretary at the Office, or in any other manner approved by the Board, appoint any other Director or any person approved for that purpose by the Board and willing to act, to be his alternate.
- 95.2 No appointment of an alternate Director who is not already a Director shall be effective until his consent to act as a Director in the form prescribed by or required pursuant to the Companies Acts has been received at the Office.
- 95.3 An alternate Director need not hold a share qualification and shall not be counted in reckoning any maximum or minimum number of Directors prescribed by these Articles.

96 Participation in Board meetings

Every alternate Director shall (subject to his giving to the Company a postal address within the United Kingdom, or an electronic address, at which notices may be served on him) be entitled to receive notice of all meetings of the Board and all committees of the Board of which his appointor is a member and, in the absence from such meetings of his appointor, to attend and vote at such meetings and to exercise all the powers, rights, duties and authorities of his appointor (except as regards power to appoint an alternate). A Director acting as alternate Director shall have a separate vote at Board meetings for each Director for whom he acts as alternate Director (and who is not present) in addition to his own vote (if any) as a Director, but he shall count as only one for the purpose of determining whether a quorum is present.

97 Alternate Director responsible for own acts

Every person acting as an alternate Director shall be an officer of the Company, shall alone be responsible to the Company for his own acts and defaults and shall not be deemed to be the agent of the Director appointing him.

98 Interests of alternate Director

The provisions of Articles 127 to 134 (inclusive) shall apply to an alternate Director to the same extent as if he was a Director and for the purposes of those provisions an alternate Director shall be deemed to have an interest which conflicts, or possibly may conflict, with the interest of the Company if either he or his appointor has such an interest. The provisions of Articles 169 and 170 shall also apply to an alternate Director to the same extent as if he was a Director. An alternate Director shall not be entitled to receive from the Company any fees in his capacity as an alternate Director, except only such part (if any) of the fees payable to his appointor as his appointor may by notice in writing to the Company direct. Subject to this Article, the Company shall pay to an alternate Director such expenses as might properly have been paid to him if he had been a Director.

99 Revocation of appointment

An alternate Director shall cease to be an alternate Director:

- 99.1 if his appointor revokes his appointment; or
- 99.2 if his appointor ceases for any reason to be a Director, provided that if any Director retires but is re-appointed or deemed to be re-appointed at the same meeting, any valid appointment of an alternate Director which was in force immediately before his retirement shall remain in force; or
- 99.3 if any event happens in relation to him which, if he were a Director otherwise appointed, would cause him to vacate office; or
- 99.4 if he resigns his office by notice in writing to the Company.

DIRECTORS' REMUNERATION, EXPENSES AND PENSIONS

100 Directors' fees

The Directors (other than alternate Directors shall be entitled to receive by way of fees for their services as Directors such sum as the Board, or any committee authorised by the Board, may from time to time determine (not exceeding £250,000 per annum or such other sum as the Company in general meeting by ordinary resolution shall from time to time determine). Such sum (unless otherwise directed by the resolution of the Company by which it is voted) shall be divided among the Directors in such proportions and in such manner as the Board, or any committee authorised by the Board, may determine or, in default of such determination, equally (except that in such event any Director holding office for less than the whole of the relevant period in respect of which the fees are paid shall only rank in such division in proportion to the time during such period for which he holds office). Any fees payable pursuant to this Article shall be distinct from any salary, remuneration or other amounts payable to a Director pursuant to any other provisions of these Articles or otherwise and shall accrue from day to day.

101 Expenses

Each Director shall be entitled to be repaid all reasonable travelling, hotel and other expenses properly incurred by him in or about the performance of his duties as Director, including any expenses incurred in attending meetings of the Board or any committee of the Board or general meetings or separate meetings of the holders of any class of shares or of debentures of the Company.

102 Additional remuneration

If by arrangement with the Board, or any committee authorised by the Board, any Director shall perform or render any special duties or services outside his ordinary duties as a Director and not in his capacity as a holder of employment or executive office, he may be paid such reasonable additional remuneration (whether by way of salary, commission, participation in profits or otherwise) as the Board, or any committee authorised by the Board, may from time to time determine.

103 Remuneration of executive Directors

The salary or remuneration of any Director appointed to hold any employment or executive office in accordance with the provisions of these Articles may be either a fixed sum of money, or may altogether or in part be governed by business done or profits made or otherwise determined by the Board, or any committee authorised by the Board, and may be in addition to or in lieu of any fee payable to him for his services as Director pursuant to these Articles.

104 Pensions and other benefits

The Board, or any committee authorised by the Board, may exercise all the powers of the Company to provide pensions or other retirement or superannuation benefits and to provide death or disability benefits or other allowances or gratuities (whether by insurance or otherwise) for, or to institute and maintain any institution, association, society, club, trust, other establishment or profit-sharing, share incentive, share purchase or employees' share scheme calculated to advance the interests of the Company or to benefit, any person who is or has at any time been a Director or employee of the Company (or of any company which is (a) a holding company or a subsidiary undertaking of the Company or (b) allied to or associated with the Company or with any such holding company or subsidiary undertaking or (c) a predecessor in business of the Company or of any such holding company or subsidiary undertaking), and any member of his family (including a spouse or former spouse) and any person who is or was dependent on him. For such purpose the Board may establish, maintain, subscribe and contribute to any scheme, institution, association, club, trust or fund and pay premiums and, subject to the provisions of the Companies Acts, lend money or make payments to, guarantee or give an indemnity in respect of, or give any financial or other assistance in connection with, any of such matters. Subject to the provisions of the Companies Acts, the Memorandum of Association of the Company, these Articles and to any directions given by special resolution of the Company, the business of the Company shall be managed by the Board, which may exercise all the powers of the Company, whether relating to the management of the business or not. No alteration of the Memorandum of Association or of these Articles and no such direction given by the Company shall invalidate any prior act of the Board which would have been valid if such alteration had not been made or such direction had not been given. Provisions contained elsewhere in these Articles as to any specific power of the Board shall not be deemed to limit the general powers given by this Article.

106 Powers of Directors being less than minimum number

If the number of Directors is less than the minimum for the time being prescribed by these Articles, the remaining Director or Directors shall act only for the purposes of appointing an additional Director or Directors to make up such minimum or of convening a general meeting of the Company for the purpose of making such appointment. If there is no Director able or willing to act, any two members may summon a general meeting for the purpose of appointing Directors. Subject to the provisions of these Articles, any additional Director so appointed shall hold office only until the dissolution of the first annual general meeting of the Company following his appointment unless he is re-elected during such meeting.

107 Powers of executive Directors

The Board may from time to time delegate or entrust to and confer on any Director holding executive office (including a Chief Executive or Managing Director) such of its powers, authorities and discretions (with power to sub-delegate) for such time, on such terms and subject to such conditions as it thinks fit, and the Board may from time to time revoke, withdraw, alter or vary all or any of such powers.

108 Delegation to committees

- 108.1 The Board may delegate any of its powers, authorities and discretions (including, without prejudice to the generality of the foregoing, all powers, authorities and discretions the exercise of which involves or may involve the payment of remuneration to or the conferring of any other benefit on all or any of the Directors) for such time, on such terms and subject to such conditions as it thinks fit to any committee appointed by the Board and consisting of one or more Directors and (if thought fit) one or more other persons.

- 108.3 A majority of the members of any committee or sub-committee shall be Directors and no resolution of a committee or sub-committee shall be effective unless a majority of those present and voting on the resolution when it is passed are Directors or alternate Directors.
- 108.4 The Board may confer any of its powers, authorities and discretions either collaterally with, or to the exclusion of and in substitution for, all or any of the powers, authorities and discretions of the Board in that respect and may from time to time revoke, withdraw, alter or vary any of such powers, authorities and discretions and discharge any such committee or sub-committee in whole or in part. Insofar as any power, authority or discretion is so delegated, any reference in these Articles to the exercise by the Board of such power, authority or discretion shall be construed as if it were a reference to the exercise of such power, authority or discretion by such committee or sub-committee.
- 108.5 The meetings and proceedings of any such committee or sub-committee consisting of more than one person shall be governed *mutatis mutandis* by the provisions of these Articles regulating the meetings and proceedings of the Board, so far as the same are not superseded by any regulations made by the Board under this Article 108.

109 Delegation to individual Directors

The Board may entrust to and confer on a Director any of its powers, authorities and discretions (with power to sub-delegate) on such terms (subject to the Companies Acts) and subject to such conditions and with such restrictions as it may decide and either collaterally with or to the exclusion of its own powers, authorities and discretions. 110 Power of attorney

The Board may, by power of attorney or otherwise, appoint any person or persons to be the agent of the Company and may delegate to any such person or persons any of its powers, authorities and discretions (with power to sub-delegate), in each case for such purposes and for such time, on such terms (including as to remuneration) and subject to such conditions as it thinks fit. The Board may confer such powers, authorities and discretions either collaterally with, or to the exclusion of and in substitution for, all or any of the powers, authorities and discretions of the Board in that respect and may from time to time revoke, withdraw, alter or vary any of such powers, authorities and discretions.

111 Powers of delegation

The power to delegate contained in Articles 108.4, 109 and 110 shall be effective in relation to the powers, authorities and discretions of the Board generally and shall not be limited by the fact that in certain Articles, but not in others, express reference is made to particular powers, authorities or discretions being exercised by the Board or by a committee authorised by the Board.

112 Exercise of voting power

The Board may exercise or cause to be exercised the voting power conferred by the shares in any other company held or owned by the Company, or any power of appointment to be exercised by the Company, in such manner in all respects as it thinks fit (including the exercise of the voting power or power of appointment in favour of the appointment of any Director as a director or other officer or employee of such company or in favour of the payment of remuneration to the directors, officers or employees of such company).

113 Provision for employees

The Board may exercise any power conferred on the Company by the Companies Acts to make provision for the benefit of persons (other than Directors, former Directors or shadow Directors) employed or formerly employed by the Company or any of its subsidiary undertakings (or any member of his family or any person who is dependent on him) in connection with the cessation or the transfer to any person of the whole or part of the undertaking of the Company or that subsidiary undertaking.

The Board, at its discretion, may allow a depositary appointed to safe-keep the Company's assets to avail itself of a contractual discharge of liability for loss of such assets, and/or for failure to return such assets or the corresponding amount (including, but not limited to, cases where the law of a country that is not part of the European Economic Area requires assets to be held by a local custodian), provided always that the applicable conditions contained in Article 21(14) of the AIFM Directive and all other relevant conditions for such discharge have been met.

116 Information available to members

- 116.1 Investor Disclosures shall be made available to members and prospective members in such manner as may be determined by the Board from time to time (including without limitation, and where so determined, by posting some or all of the Investor Disclosures on the Company's website or by electronic notice).
- 116.2 For the purposes of Article 116.1, the term **Investor Disclosures** means the information required to be made available to members and prospective members pursuant to FUND Rules in the FCA Handbook, as amended or replaced from time to time.

117 Borrowing powers

- 117.1 Subject to the following provisions of this Article 117, the Board may exercise all the powers of the Company to borrow money and to mortgage or charge all or any part of the undertaking, property and assets (present and future) and uncalled capital of the Company and, subject to the provisions of the Companies Acts, to create and issue debentures and other loan stock, debentures and other securities, in each case whether secured or unsecured and whether outright or as collateral security for any debt, liability or obligation of the Company or of any third party.
- 117.2 The Board shall restrict the borrowings of the Company and exercise all voting and other rights or powers of control exercisable by the Company in relation to its subsidiary undertakings (if any) so that, without the previous sanction of an ordinary resolution of the Company, (so far as

the Company is able) no new borrowings are incurred if, as a result, the aggregate principal amount outstanding of all net borrowings by the Group (exclusive of certain borrowings owing by one member of the Group to another member of the Group, other than amounts to be taken into account under Article 117.3(c) below) exceeds an amount equal to 25 per cent. of the value of the gross assets of the Company (as defined below).

For the purpose of this Article 117.2:

- (a) **the value of the gross assets of the Company** shall mean the total value of all assets owned by the Company (including the value of the Company's holdings in its subsidiary undertakings), such assets to be valued on the following bases:
- (i) the value of securities listed or dealt in on any reputable or recognised stock exchange or securities market shall be calculated by reference to the closing middle market price or average closing price, as appropriate, based on the official or other list relevant to such stock exchange or securities market on the relevant date or, if the relevant date is not a business day, the immediately preceding business day, or, where such value is unavailable, the value as certified by a stockbroker or other professional person qualified to certify the same; and
 - (ii) the value of other securities (or the Company's holdings in its subsidiary undertakings) shall be at valuations determined by or on behalf of the Board in accordance with such valuation principles as may be recommended by the Auditors;
- (b) **borrowings** shall be deemed to include not only borrowings but also the following, except insofar as otherwise taken into account:
- (i) the nominal amount of any issued share capital and the principal amount of any debentures or borrowed moneys, the beneficial interest wherein, or the right to repayment whereof, is not for the time being owned by a member of the Group or of any other body (whether corporate or unincorporate) and the payment or repayment whereof is the subject of a guarantee or indemnity by a member of the Group;
 - (ii) the outstanding principal amount raised by acceptances by any bank or accepting house under any acceptance credit opened on behalf of and in favour of any member of the Group;
 - (iii) the principal or nominal amount of any debenture or other debt instrument (whether secured or unsecured) of a member of the Group owned otherwise than by a member of the Group;
 - (iv) the nominal amount of any preference share capital of any subsidiary undertaking beneficially owned otherwise than by a member of the Group;
 - (v) any fixed or minimum premium payable on final redemption or repayment of any borrowing or deemed borrowing; and
 - (vi) any liability under a finance lease (to the extent such amount is to be included in the audited balance sheet of any member of the Group in accordance with generally accepted accounting principles);

but shall be deemed not to include borrowings for the purposes of repaying the whole or any part of borrowings by a member of the Group for the time being outstanding and so to be applied within six months of being so borrowed, pending their application for such purpose within such period; and

- (c) **net borrowings** shall, at any time, mean the amount of borrowings at that time less cash and money market instruments (valued in accordance with the provisions set out in Bye-Law 30.3.1) held by the Company at that time, and the Board may from time to time determine which instruments shall constitute money market instruments for this purpose (which, without restricting the Board's discretion, may include floating rate notes of any maturity and gilts and bonds with a maturity of up to five years); and
- (d) **the Group** shall mean the Company and its subsidiary undertakings (if any).

117.3 When the aggregate principal amount of borrowings required to be taken into account for the purposes of this Bye-Law 30 on any particular date is being ascertained:

- (a) any such assets or monies valued, denominated or repayable (or repayable at the option of any person other than the Company) in a currency other than sterling shall be converted for the purpose of calculating the sterling equivalent at the relevant rate of exchange used for the purposes of the translation of such currency in the latest audited balance sheet or, if the relevant currency was not thereby involved or if the Board so determine, by reference to the rate of exchange ruling in London on such date and determined on such basis as the Auditors may have certified to be appropriate;
- (b) where under the terms of any borrowing the amount of money that would be required to discharge the principal amount of such borrowing in full if it fell to be repaid (at the option of the Company or by reason of default) on such date is less than the amount that would otherwise be taken into account in respect of such borrowing for the purpose of this Bye-Law, the amount of such borrowing to be taken into account for the purpose of this Bye-Law shall be such lesser amount; and
- (c) monies borrowed by a partly-owned subsidiary undertaking and not owing to another member of the Group shall be taken into account subject to the exclusion of a proportion thereof equal to the relevant proportion and moneys borrowed and owing to a partly-owned subsidiary undertaking by another member of the Group shall be taken into account to the extent of a proportion thereof equal to the relevant proportion; for the purposes of this paragraph relevant proportion shall mean the proportion of the issued equity share capital of such partly-owned subsidiary undertaking which is not attributable (directly or indirectly) to the Company.

117.4 A report or certificate of the Auditors as to the amount of the gross assets of the Company or the amount of moneys borrowed falling to be taken into account for the purposes of this Article 117 or to the effect that the limit imposed by this Article 117 has not been or will not be exceeded at any particular time or times or as a result of any particular transaction or transactions shall be conclusive evidence of the amount or of that fact. Nevertheless, the Board may at any time act in reliance on a bona fide estimate of the amount of the gross assets of the Company; and if in consequence the limit on borrowings set out in this Article 117 is inadvertently exceeded, an amount borrowed equal to the excess may be disregarded until the expiration of three months after the date on which (by reason of a determination of the Auditors or otherwise) the Board became aware that such a situation has or may have arisen.

117.5 No debt incurred or security given in respect of moneys borrowed in excess of the limit imposed by this Article 117 shall be invalid or ineffectual, except in the case of express notice to the lender or recipient of the security at the time when the debt was incurred or security given that the limit had been or would thereby be exceeded, but no lender or other person dealing with the Company shall be concerned to see or enquire whether such limit is observed.

PROCEEDINGS OF DIRECTORS AND COMMITTEES

118 Board meetings

Subject to the provisions of these Articles, the Board may meet for the despatch of business, adjourn and otherwise regulate its proceedings as it thinks fit.

119 Notice of Board meetings

One Director may, and the Secretary at the request of a Director shall, summon a Board meeting at any time on reasonable notice. Notice of a Board meeting shall be deemed to be properly given to a Director if it is given to him personally or by word of mouth or sent in writing to him at his last known address (or any other address given by him to the Company for that purpose). A Director may waive the requirement that notice be given to him of any Board meeting, either prospectively or retrospectively. A Director who does not supply the Company with the information necessary to ensure that he receives notice of a meeting before it takes place is deemed to have waived his entitlement to notice of such meeting.

120 Quorum

The quorum necessary for the transaction of business may be determined by the Board and, until otherwise determined, shall be two persons, each being a Director or an alternate Director. A duly convened meeting of the Board at which a quorum is present shall be competent to exercise all or any of the authorities, powers and discretions for the time being vested in or exercisable by the Board. Subject to these Articles, any Director who ceases to be a Director at a meeting of the Board may continue to be present and to act as a Director and be counted in the quorum until the termination of the meeting if no other Director objects and if otherwise a quorum of Directors would not be present.

121 Chairman of the Board

The Board may appoint one or more of its body as Chairman or Joint Chairman and one or more of its body as Deputy Chairman of its meetings and may determine the period for which he is or they are to hold office and may at any time remove him or them from office. If no such Chairman or Deputy Chairman is elected, or if at any meeting neither a Chairman nor a Deputy Chairman is present within five minutes of the time appointed for holding the same, the Directors present shall choose one of their number to be Chairman of the meeting. In the event there are two or more Joint Chairmen or, in the absence of a Chairman, two or more Deputy Chairmen present, the Joint Chairman or Deputy Chairman to act as Chairman of the meeting shall be decided by those Directors present. Any Chairman or Deputy Chairman may also hold executive office under the Company.

122 Voting and the Chairman's casting vote

Questions arising at any meeting of the Board shall be determined by a majority of votes. In the case of an equality of votes, the Chairman of that meeting shall have a second or casting vote.

123 Electronic participation in meetings

- 123.1 Any Director or his alternate may validly participate in a meeting of the Board or a committee of the Board by means of conference telephone or any other form of communications equipment, (provided that all persons participating in the meeting are able to hear and speak to each other throughout such meeting), by a series of telephone calls from the Chairman of the meeting or by exchange of communication in electronic form addressed to the Chairman of the meeting.
- 123.2 A person so participating by being present or being in telephone communication with or by exchanging communication in electronic form with those in the meeting or with the Chairman of the meeting shall be deemed to be present in person at the meeting and shall accordingly be counted in a quorum and be entitled to vote. Such a meeting shall be deemed to take place where the largest group of those participating is assembled or, if there is no group which is larger than any other group, where the Chairman of the meeting is.
- 123.3 A resolution passed at any meeting held in the above manner, and authenticated by the Chairman of the meeting or the Secretary, shall be as valid and effectual as if it had been passed at a meeting of the Board (or committee, as the case may be) duly convened and held.

124 Resolution in writing

- 124.1 A resolution in writing authenticated by (subject as otherwise mentioned in Article 124.2) all the Directors for the time being entitled to receive notice of a Board meeting (or all the members of a committee of the Board for the time entitled to receive notice of such committee meeting), shall be as valid and effective for all purposes as a resolution duly passed at a meeting of the Board (or committee, as the case may be).
- 124.2 Such a resolution:
- 124.2.1 to be effective, need not be authenticated by a Director who is prohibited by these Articles from voting thereon or whose vote would not have counted on the resolution, or by his alternate;
- 124.2.2 must be authenticated by sufficient Directors to form a quorum at a Board meeting (or committee meeting);
- 124.2.3 may consist of several documents in the same form each authenticated by one or more of the Directors or members of the relevant committee;
- 124.2.4 need not be authenticated by an alternate Director if it is authenticated by the Director who appointed him;
- 124.2.5 if authenticated by an alternate Director, need not also be authenticated by his appointor.

125 Minutes of proceedings

- 125.1 The Board shall cause minutes to be made in books kept for the purpose of recording:
- 125.1.1 all appointments of officers and committees made by the Board; and
- 125.1.2 the names of Directors present at every meeting of the Board, of a committee of the Board, of the Company or of the holders of any class of shares or debentures of the Company, and all orders, resolutions and proceedings of such meetings.
- 125.2 Any such minutes, if purporting to be authenticated by the Chairman of the meeting at which the proceedings were held or by the Chairman of the next succeeding meeting or the Secretary, shall be *prima facie* evidence of the matters stated in such minutes without any further proof.

126 Validity of proceedings

All acts done by a meeting of the Board, or of a committee of the Board, or by any person acting as a Director, alternate Director or member of a committee shall, notwithstanding that it is afterwards discovered that there was some defect in the appointment of any person acting as aforesaid, or that such person was disqualified from holding office or had ceased to hold office or were or was not entitled to vote on the matter in question, be as valid as if such person had been duly appointed, and was duly qualified and had continued to be a Director, alternate Director or member of a committee and entitled to vote.

DIRECTORS' INTERESTS

127 Power of the Board to authorise conflicts of interest

- 127.1 The Board may authorise any matter (as defined in Article 127.2) proposed to it in accordance with these Articles which would, if not so authorised, involve a breach by a Director of his duty to avoid conflicts of interest under the Companies Acts.
- 127.2 A **matter** means any matter which relates to a situation (a **relevant situation**) in which a Director has, or can have, an interest which conflicts, or possibly may conflict, with the interests

of the Company (including the exploitation of any property, information or opportunity, whether or not the Company could take advantage of it, but excluding any situation which cannot reasonably be regarded as likely to give rise to a conflict of interest).

- 127.3 The provisions of Article 127.1 do not apply to a conflict of interest arising in relation to a transaction or arrangement with the Company.
- 127.4 Any such authorisation will be effective only if:
 - 127.4.1 any requirement as to quorum at the meeting at which the matter is considered is met without counting the Director in question or any other interested Director; and
 - 127.4.2 the matter was agreed to without their voting or would have been agreed to if their votes had not been counted.
- 127.5 Where authorisation is given under Article 127.1:
 - 127.5.1 the Board may (whether at the time of the giving of the authorisation or subsequently) make such authorisation subject to any limits or conditions it expressly imposes but otherwise it shall be given to the fullest extent permitted;
 - 127.5.2 the Board may vary or terminate such authorisation at any time.
- 127.6 Subject to Article 127.7, a Director shall be under no duty to the Company with respect to any information which he obtains or has obtained otherwise than as a Director of the Company and in respect of which he has a duty of confidentiality to another person. In particular, the Director shall not be in breach of the general duties he owes to the Company under the Companies Acts because he fails:
 - 127.6.1 to disclose any such information to the Board or to any Director or other officer or employee of the Company; and/or
 - 127.6.2 to use or apply any such information in performing his duties as a Director of the Company.
- 127.7 To the extent that the relationship between a Director and a person to whom he owes a duty of confidentiality gives rise to a conflict of interest or possible conflict of interest, Article 127.6 applies only if the existence of that relationship has been authorised by the Board pursuant to this Article or if Article 128 applies to the relationship.
- 127.8 Where the existence of a Director's relationship with another person is authorised by the Board pursuant to this Article (and subject to any limits or conditions imposed pursuant to Article 127.5.1) or Article 128 applies to the relationship and his relationship with that person gives rise to a conflict of interest or possible conflict of interest, the Director shall not be in breach of the general duties he owes to the Company under the Companies Acts because he:
 - 127.8.1 absents himself from meetings of the Board at which any matter relating to the conflict of interest or possible conflict of interest will or may be discussed or from the discussion of any such matter at a meeting or otherwise; and/or
 - 127.8.2 makes arrangements not to receive documents and information relating to any matter which gives rise to the conflict of interest or possible conflict of interest sent or supplied by the Company and/or makes arrangements for such documents and information to be received and read by a professional adviser,

for so long as he reasonably believes such conflict of interest or possible conflict of interest subsists.
- 127.9 The provisions of Articles 127.6, 127.7 and 127.8 are without prejudice to any equitable principle or rule of law which may excuse the Director from:

- 127.9.1 disclosing information in circumstances where disclosure would otherwise be required under these Articles; or
- 127.9.2 attending meetings or discussions or receiving documents and information as referred to in Article 127.8.1 or 127.8.2, in circumstances where such attendance or receiving such documents and information would otherwise be required under these Articles.

128 Interests not requiring Board authorisation

- 128.1 Provided that Article 128.2 is complied with, a Director, notwithstanding his office:
- 128.1.1 may be a party to or otherwise be interested in any transaction or arrangement with the Company or in which the Company is otherwise interested;
- 128.1.2 may hold any other office or place of profit under the Company (except that of Auditor or of auditor of a subsidiary of the Company) in conjunction with the office of Director and may act by himself or through his firm in a professional capacity for the Company, and in any such case on such terms as to remuneration and otherwise as the Board may arrange, either in addition to or in lieu of any remuneration provided for by any other Article;
- 128.1.3 may be a director or other officer of, or employed by, or a party to any transaction or arrangement with or otherwise interested in, any company promoted by the Company or in which the Company is otherwise interested or as regards which the Company has any powers of appointment; and
- 128.1.4 shall not be liable to account to the Company for any profit, remuneration or other benefit realised by any office or employment or from any transaction or arrangement or from any interest in any body corporate, no such transaction or arrangement shall be liable to be avoided on the grounds of any such interest or benefit nor shall the receipt of any such profit, remuneration or any other benefit constitute a breach of his duty under the Companies Acts or under the law not to accept benefits from third parties.
- 128.2 Subject to Article 128.3, a Director shall declare the nature and extent of any interest permitted under this Article at a meeting of the Directors, or, in the case of a transaction or arrangement with the Company, in the manner set out in the Companies Acts.
- 128.3 A Director need not declare an interest in the case of a transaction or arrangement with the Company:
- 128.3.1 if, or to the extent that, the other Directors are already aware of the interest (and for this purpose the other Directors will be treated as aware of anything of which they ought reasonably to be aware); or
- 128.3.2 if, or to the extent that, it concerns the terms of his service contract (as defined in section 227 CA 2006) that have been or are to be considered by a meeting of the Directors or by a committee of the Directors appointed for the purpose under these Articles.

129 Interested Director not to vote or count for quorum

- 129.1 A Director shall not vote on, or be counted in the quorum in relation to, any resolution of the Board or of a committee of the Board concerning any transaction or arrangement in which he has an interest which is to his knowledge a material interest and, if he purports to do so, his vote shall not be counted, but this prohibition shall not apply if Article 129.2 applies;
- 129.2 Provided that the matter has been authorised pursuant to Article 127 or comes within Article 128, the Director may vote (and be counted in the quorum) in respect of any resolution concerning one of more of the following matters:

- 129.2.1 any transaction or arrangement in which he is interested by means of an interest in shares, debentures or other securities or otherwise in or through the Company;
- 129.2.2 the giving of any guarantee, security or indemnity in respect of money lent to, or obligations incurred by him or any other person at the request of or for the benefit of, the Company or any of its subsidiary undertakings;
- 129.2.3 the giving of any guarantee, security or indemnity in respect of a debt or obligation of the Company or any of its subsidiary undertakings for which he himself has assumed responsibility in whole or in part under a guarantee or indemnity or by the giving of security;
- 129.2.4 the giving of any other indemnity where all other Directors are also being offered indemnities on substantially the same terms;
- 129.2.5 any proposal concerning an offer of shares or debentures or other securities of or by the Company or any of its subsidiary undertakings in which offer he is, or may be, entitled to participate as a holder of securities or in the underwriting or sub-underwriting of which he is to participate;
- 129.2.6 any proposal concerning any other body corporate in which he does not to his knowledge have an interest (as the term is used in Part 22 CA 2006) in one per cent. or more of the issued equity share capital of any class of such body corporate (calculated exclusive of any shares of that class in that company held as treasury shares) nor to his knowledge hold one per cent. or more of the voting rights which he holds as shareholder or through his direct or indirect holding of financial instruments (within the meaning of the Disclosure and Transparency Rules) in such body corporate;
- 129.2.7 any proposal relating to an arrangement for the benefit of the employees of the Company or any of its subsidiary undertakings which does not award him any privilege or benefit not generally awarded to the employees to whom such arrangement relates;
- 129.2.8 any proposal concerning insurance which the Company proposes to maintain or purchase for the benefit of Directors or for the benefit of persons who include Directors;
- 129.2.9 any proposal concerning the funding of expenditure for the purposes referred to in Article 169.1 or doing anything to enable such Director or Directors to avoid incurring such expenditure; or
- 129.2.10 any transaction or arrangement in respect of which his interest, or the interest of Directors generally, has been authorised by ordinary resolution.

130 Director's interest in own appointment

- 130.1 A Director shall not vote or be counted in the quorum on any resolution of the Board or committee of the Board concerning his own appointment (including fixing or varying the terms of his appointment or its termination) as the holder of any office or place of profit with the Company or any company in which the Company is interested. Where proposals are under consideration concerning the appointment (including fixing or varying the terms of appointment or its termination) of two or more Directors to offices or places of profit with the Company or any company in which the Company is interested, such proposals may be divided and a separate resolution considered in relation to each Director. In such case each of the Directors concerned (if not otherwise debarred from voting under these Articles) shall be entitled to vote (and be counted in the quorum) in respect of each resolution except that concerning his own appointment.
- 130.2 Subject to these Articles, the Board may cause the voting rights conferred by the shares in any other company held or owned by the Company or any power of appointment to be exercised in such manner in all respects as it thinks fit (including the exercise of voting rights in favour of any resolution appointing the Directors or any of them as directors or officers of the other company

or in favour of the payment of remuneration to the directors or officers of the other company), and a Director may vote on and be counted in the quorum in relation to any of these matters.

131 Chairman's ruling conclusive on Director's interest

If any question arises at any meeting as to the materiality of a Director's interest (other than the Chairman's interest) or the entitlement of any Director (other than the Chairman) to vote or be counted in a quorum for the purposes of Article 129, and such question is not resolved by his voluntarily agreeing to abstain from voting or being counted in the quorum, such question shall be referred to the Chairman of the meeting. The Chairman's ruling in relation to the Director concerned shall be final and conclusive except in a case where the nature or extent of the interest of the Director concerned (so far as it is known to him) has not been fairly disclosed to the Board.

132 Directors' resolution conclusive on Chairman's interest

If any question arises at any meeting as to the materiality of the Chairman's interest or the entitlement of the Chairman to vote or be counted in a quorum for the purposes of Article 129, and such question is not resolved by his voluntarily agreeing to abstain from voting or being counted in the quorum, such question shall be decided by resolution of the Directors or committee members present at the meeting (excluding the Chairman), whose majority vote shall be final and conclusive except in a case where the nature or extent of the interest of the Chairman (so far as it is known to him) has not been fairly disclosed to the Board.

133 Relaxation of provisions

Subject to the provisions of the Companies Acts, the Company may by ordinary resolution suspend or relax the provisions of Articles 127 to 132, either generally or in respect of any particular matter, or ratify any transaction not duly authorised by reason of a contravention of these Articles.

134 Definitions

For the purpose only of Articles 127 to 134:

- 134.1 a **conflict of interest** includes (without limitation) a conflict of interest and duty and a conflict of duties;
- 134.2 an **interest** means a direct or an indirect interest (including, without limitation, an interest of a connected person as defined in the Companies Acts) and **interested** shall be construed accordingly;
- 134.3 an **interest, transaction or arrangement of which a Director is aware** includes an interest, transaction or arrangement of which that Director ought reasonably to be aware; and
- 134.4 a **transaction or arrangement** includes a proposed transaction or arrangement.

AUTHENTICATION OF DOCUMENTS

135 Power to authenticate documents

Any Director, the Secretary or any person appointed by the Board for the purpose shall have power to authenticate any documents affecting the constitution of the Company and any resolution passed by the Company or the Board or any committee, and any books, records, documents and accounts relating to the business of the Company, and to certify copies thereof or extracts therefrom as true copies or extracts; and where any books, records, documents or accounts are elsewhere than at the Office the local manager or other officer of the Company having their custody shall be deemed to be a person appointed by the Board for this purpose. A

document purporting to be a copy of a resolution, or an extract from the minutes of a meeting, of the Company or of the Board or any committee which is so certified shall be conclusive evidence in favour of all persons dealing with the Company that such resolution has been duly passed or (as the case may be) that any minute so extracted is a true and accurate record of proceedings at a duly constituted meeting.

SEALS

136 Safe custody

The Board shall provide for the safe custody of the Seal and of any other seal of the Company.

137 Application of Seal

137.1 The Seal shall be used only by the authority of a resolution of the Board or of a committee of the Board authorised by the Board to give such authority. The Board may determine whether any instrument to which the Seal is affixed shall be signed and, if it is to be signed, who shall sign it and by what means. The Board may also determine, either generally or in a particular case, that a signature may be dispensed with or affixed by mechanical or other means. Unless otherwise so determined:

137.1.1 share certificates and, subject to the provisions of any instrument constituting the same, certificates issued under the Seal in respect of any debentures or other securities need not be signed and any signature may be affixed to or printed on any such certificate by any means approved by the Board; and

137.1.2 every other instrument to which the Seal is affixed shall be signed by one Director and by the Secretary or by two Directors or by one Director in the presence of a witness who attests his signature or by such other persons as the Board or a committee of the Board shall appoint for that purpose (and, if the Secretary is a limited company, such company may nominate any person to act on its behalf).

138 Execution as a deed without sealing

Any instrument signed by one Director and the Secretary, by two Directors or by one Director in the presence of a witness who attests his signature and, in any such case, expressed to be executed by the Company shall have the same effect as if executed under the Seal, provided that no instrument which makes it clear on its face that it is intended to have effect as a deed shall be so signed without the authority of the Directors or of a committee authorised by the Directors in that behalf.

139 Official seal for use abroad

Subject to the provisions of the Companies Acts, the Company may have an official seal for use in any place abroad.

THE SECRETARY

140 The Secretary

140.1 Subject to the provisions of the Companies Acts, the Board shall appoint a Secretary or Joint Secretaries and shall have power to appoint one or more persons to be an Assistant or Deputy Secretary at such remuneration and on such terms and conditions as it thinks fit and any such person so appointed may be removed by the Board.

140.2 Any provision of the Companies Acts or of these Articles requiring or authorising a thing to be done by or to a Director and the Secretary shall not be satisfied by its being done by or to the same person acting both as Director and as, or in place of, the Secretary.

- 140.3 If Joint Secretaries are appointed, any provision of the Companies Acts or of these Articles requiring or authorising a thing to be done by the Secretary shall be satisfied if done by one of the Joint Secretaries.

DIVIDENDS AND OTHER PAYMENTS

141 Declaration of dividends

Subject to the provisions of the Companies Acts and of these Articles, the Company may by ordinary resolution declare dividends to be paid to members according to their respective rights and interests in the profits of the Company. However, no dividend shall exceed the amount recommended by the Board.

142 Interim dividends

Subject to the provisions of the Companies Acts, the Board may declare and pay such interim dividends (including any dividend payable at a fixed rate) as appears to the Board to be justified by the profits of the Company available for distribution. If at any time the share capital of the Company is divided into different classes, the Board may pay such interim dividends on shares which rank after shares conferring preferential rights with regard to dividends as well as on shares conferring preferential rights, unless at the time of payment any preferential dividend is in arrears. Provided that the Board acts in good faith, it shall not incur any liability to the holders of shares conferring preferential rights for any loss that they may suffer by the lawful payment of any interim dividend on any shares ranking after those with preferential rights.

143 Entitlement to dividends

Except as otherwise provided by the rights attached to shares, all dividends shall be declared and paid according to the amounts paid up on the shares on which the dividend is paid but no amount paid up on a share in advance of the date on which a call is payable shall be treated for the purposes of this Article as paid up on the share. Subject as aforesaid, all dividends shall be apportioned and paid proportionately to the amounts paid up on the shares during any portion or portions of the period in respect of which the dividend is paid, but if any share is issued on terms providing that it shall rank for dividend as from a particular date, it shall rank for dividend accordingly.

144 Calls or debts may be deducted from dividends

The Board may deduct from any dividend or other money payable to any person on or in respect of a share all such sums as may be due from him to the Company on account of calls or otherwise in relation to the shares of the Company.

145 Distribution in specie

The Board may, with the authority of an ordinary resolution of the Company, direct that payment of any dividend declared may be satisfied wholly or partly by the distribution of assets, and in particular of paid up shares or debentures of any other company, or in any one or more of such ways. Where any difficulty arises in regard to such distribution, the Board may settle it as it thinks fit. In particular, the Board may:

- 145.1.1 issue fractional certificates (or ignore fractions);
- 145.1.2 fix the value for distribution of such assets or any part thereof and determine that cash payments may be made to any members on the footing of the value so fixed, in order to adjust the rights of members; and
- 145.1.3 vest any such assets in trustees on trust for the persons entitled to the dividend.

146 Dividends not to bear interest

Unless otherwise provided by the rights attached to the share, no dividend or other money payable by the Company on or in respect of a share shall bear interest as against the Company.

147 Method of payment

- 147.1 The Company may pay any dividend, interest or other sum payable in respect of a share in cash or by direct debit, bank transfer, cheque, dividend warrant, money order or any other method (including by electronic media) as the Board may consider appropriate. In respect of shares in uncertificated form, where the Company is authorised to do so by or on behalf of the holder or joint holders in such manner as the Company shall from time to time consider sufficient, the Company may also pay any such dividend, interest or other money by means of the relevant system concerned (subject always to the facilities and requirements of that relevant system).
- 147.2 Every such cheque, warrant or order may be sent by post or other delivery service (or by such other means offered by the Company as the member or persons entitled to it may agree in writing) to the registered address (or, in the case of a Depositary, subject to the approval of the Board, such persons and addresses as the Depositary may require) of the member or person entitled to it (or, if two or more persons are holders of the share or are jointly entitled to it by reason of the death or bankruptcy of the member or otherwise by operation of law, to the registered address of such of those persons as is first named in the Register) or to such person and such address as such member or person or persons may direct in writing. In respect of shares in uncertificated form, every such payment made by such other method as is referred to in Article 147.1 shall be made in such manner as may be consistent with the facilities and requirements of the relevant system concerned. Without prejudice to the generality of the foregoing, in respect of shares in uncertificated form, such payment may include the sending by the Company or by any person on its behalf of an instruction to the Operator of the relevant system to credit the cash memorandum account of the holder or joint holders or, if permitted by the Company, of such person as the holder or joint holders may in writing direct.
- 147.3 Every cheque, warrant, order or other form of payment is sent at the risk of the person entitled to the money represented by it, and shall be made payable to the person or persons entitled, or to such other person as the person or persons entitled may direct in writing. Payment of the cheque, warrant, order or other form of payment (including, in respect of shares in uncertificated form, the making of payment in accordance with the facilities and requirements of the relevant system concerned) shall be a good discharge to the Company. If any such cheque, warrant, order or other form of payment shall be, or shall be alleged to have been, lost, stolen or destroyed, the Board may, at the request of the person entitled thereto, issue a replacement cheque or warrant or order or make payment in some other form, subject to compliance with such conditions as to evidence and indemnity and the payment of out-of-pocket expenses of the Company in connection with the request as the Board may think fit.
- 147.4 Any joint holder or other person jointly entitled to a share may give an effective receipt for any dividend or other money payable in respect of such share.
- 147.5 The Board may, at its discretion, make provisions to enable a Depositary and/or any member as the Board shall from time to time determine to receive any duly declared dividend in a currency other than sterling. For the purposes of the calculation of the amount receivable in respect of any dividend, the rate of exchange to be used to determine the foreign currency equivalent of the amount of the dividend shall be such rate, and the payment thereof shall be on such terms and conditions, as the Board may in its absolute discretion determine.

148 Uncashed dividends

If cheques, warrants or orders for dividends or other sums payable in respect of a share sent by the Company to the person entitled thereto are returned to the Company or left uncashed on

two consecutive occasions or, following one occasion, reasonable enquiries have failed to establish any new address to be used for the purpose, the Company shall not be obliged to send any dividends or other money payable in respect of that share due to that person until he notifies the Company of an address to be used for the purpose.

149 Unclaimed dividends

All dividends, interest or other sums payable and unclaimed for a period of 12 months after having become payable may be invested or otherwise made use of by the Board for the benefit of the Company until claimed and the Company shall not be constituted a trustee in respect thereof. All dividends unclaimed for a period of 12 years after having become payable shall, if the Board so resolves, be forfeited and shall cease to remain owing by, and shall become the property of, the Company.

150 Payment of scrip dividends

- 150.1 The Board may, with the prior authority of an ordinary resolution of the Company and subject to the provisions set out in this Article 150 and to such terms and conditions as the Board may determine, offer to any holders of Ordinary Shares (excluding any member holding Ordinary Shares as treasury shares) the right to elect to receive Ordinary Shares, credited as fully paid, instead of the whole (or some part, to be determined by the Board) of any dividend specified by the ordinary resolution.
- 150.2 The resolution may specify a particular dividend (whether or not already declared), or may specify all or any dividends declared within one or more specified periods provided that any period so specified shall not end later than the fifth anniversary of the date of the meeting at which the said resolution is passed.
- 150.3 The entitlement of each holder of Ordinary Shares to new Ordinary Shares shall be such that the relevant value of the entitlement shall be as nearly as possible equal to (but not greater than) the cash amount (disregarding any tax credit) of the dividend to which such holder is entitled. For this purpose, **relevant value** shall be calculated by reference to the average of the middle market quotations for the Ordinary Shares on the London Stock Exchange, as derived from the Daily Official List, for the day on which the Ordinary Shares are first quoted "ex" the relevant dividend and the four subsequent dealing days, or in such other manner as the Board may determine on such basis as it considers to be fair and reasonable. A certificate or report by the Auditors as to the amount of the relevant value in respect of any dividend shall be conclusive evidence of that amount.
- 150.4 No fractions of a share shall be allotted. The Board may make such provisions as it thinks fit for any fractional entitlements, including provisions whereby, in whole or in part, the benefit thereof accrues to the Company and/or under which fractional entitlements are accrued and/or retained, and in each case accumulated, on behalf of any member and such accruals or retentions are applied to the allotment by way of bonus to, or cash subscription on behalf of, such member of fully paid Ordinary Shares and/or provisions whereby cash payments may be made to members in respect of their fractional entitlements.
- 150.5 The Board shall, after determining the basis of allotment, notify the holders of Ordinary Shares in writing of the right of election offered to them, and specify the procedure to be followed and place at which, and the latest time by which, elections must be lodged in order to be effective save that, in the case of any holder of Ordinary Shares who has previously made, and has not revoked, an earlier election to receive Ordinary Shares in lieu of all future dividends, the Board shall instead send him a reminder that such election has been made, indicating how that election may be revoked in time for the next dividend proposed to be paid.
- 150.6 The Board may exclude from any offer any holders of Ordinary Shares or any Ordinary Shares held by a Depositary where the Board considers that the making of the offer to them or in respect of such shares would or might involve the contravention of the laws of or the

requirements of any regulatory body or stock exchange or other authority in any territory or that for any other reason the offer should not be made to them or in respect of such shares.

- 150.7 The dividend (or that part of the dividend in respect of which a right of election has been offered) shall not be payable in cash on Ordinary Shares in respect of which an election has been duly made (the **elected Ordinary Shares**) and instead additional Ordinary Shares shall be allotted to the holders of the elected Ordinary Shares on the basis of allotment determined as aforesaid. For such purpose, the Board may capitalise, out of any amount for the time being standing to the credit of any reserve or fund (including any share premium account or capital redemption reserve) or of any of the profits which could otherwise have been applied in paying dividends in cash, as the Board may determine, a sum equal to the aggregate nominal amount of the additional Ordinary Shares to be allotted on that basis and apply it in paying up in full the appropriate number of unissued Ordinary Shares for allotment and distribution to the holders of the elected Ordinary Shares on that basis. A Board resolution capitalising any part of such reserve or fund or profits shall have the same effect as if such capitalisation had been declared by ordinary resolution of the Company in accordance with Article 152 and in relation to any such capitalisation the Board may exercise all the powers conferred on the Board by Article 152 without need of such ordinary resolution.
- 150.8 The additional Ordinary Shares so allotted shall rank *pari passu* in all respects with each other and with the fully paid Ordinary Shares in issue on the record date for the dividend in respect of which the right of election has been offered, except that they will not rank for any dividend or other distribution or other entitlement which has been declared, paid or made by reference to such record date.
- 150.9 The Board may terminate, suspend or amend any offer of the right to elect to receive Ordinary Shares in lieu of any cash dividend at any time and generally may implement any scrip dividend scheme on such terms and conditions as the Board may from time to time determine and take such other action as the Board may deem necessary or desirable from time to time in respect of any such scheme.
- 150.10 The Board may establish or vary from time to time a procedure for election mandates in respect of future rights of election and may determine that every duly effected election in respect of any Ordinary Shares shall be binding on every successor in title to the holder thereof until the election mandate is revoked following that procedure.

151 Reserves

Without prejudice to Article 151, the Board may, before recommending any dividend (whether preferential or otherwise), but having regard to Chapter 4, Part 24 of the Corporation Tax Act 2010 and any regulations made thereunder, carry to reserves out of the profits of the Company such sums as it thinks fit. All sums standing to reserve may be applied from time to time, at the discretion of the Board, for any purpose to which the profits of the Company may properly be applied and pending such application may, at the like discretion, either be employed in the business of the Company or be invested in such investments as the Board thinks fit. The Board may divide the reserve into such special funds as it thinks fit, and may consolidate into one fund any special funds or any parts of any special funds into which the reserve may have been divided as it thinks fit. Any sum which the Board may carry to reserve out of the unrealised profits of the Company shall not be mixed with any reserve to which profits available for distribution have been carried. The Board may also, without placing the same to reserve, carry forward any profits which it may think prudent not to distribute.

152 Capitalisation of reserves

The Board may, with the authority of an ordinary resolution of the Company:

- 152.1 subject as provided in this Article, resolve to capitalise any undivided profits of the Company not required for paying any preferential dividend (whether or not they are available for distribution) or any sum standing to the credit of any reserve or fund of the Company which is available for

distribution or standing to the credit of share premium account or capital redemption reserve or other undistributable reserve (including a merger reserve);

- 152.2 appropriate the sum resolved to be capitalised to the holders of Ordinary Shares in proportion to the nominal amounts of the shares (whether or not fully paid) held by them respectively which would entitle them to participate in a distribution of that sum if the shares were fully paid and the sum were then distributable and were distributed by way of dividend and apply such sum on their behalf either in or towards paying up the amounts, if any, for the time being unpaid on any shares held by them respectively, or in paying up in full unissued shares or debentures of the Company of a nominal amount equal to that sum, and allot the shares or debentures credited as fully paid to those holders of Ordinary Shares or as they may direct, in those proportions, or partly in one way and partly in the other, provided that:
- 152.2.1 the share premium account, the capital redemption reserve, any other undistributable reserve and any profits which are not available for distribution may, for the purposes of this Article, only be applied in paying up unissued shares to be allotted to holders of Ordinary Shares credited as fully paid; and
- 152.2.2 where the amount capitalised is applied in paying up in full unissued shares, the Company will also be entitled to participate in the relevant distribution in relation to any Ordinary Shares held by it as treasury shares and the proportionate entitlement of the members to the distribution will be calculated accordingly.
- 152.3 resolve that any shares so allotted to any member in respect of a holding by him of any partly paid shares shall, so long as such shares remain partly paid, rank for dividends only to the extent that such partly paid shares rank for dividends;
- 152.4 make such provision by the issue of fractional certificates (or by ignoring fractions or by accruing the benefit thereof to the Company rather than to the holders of Ordinary Shares concerned) or by payment in cash or otherwise as it thinks fit in the case of shares or debentures becoming distributable in fractions;
- 152.5 authorise any person to enter into, on behalf of all the holders of Ordinary Shares concerned, an agreement with the Company providing for either:
- 152.5.1 the allotment to them respectively, credited as fully paid up, of any shares or debentures to which they may be entitled on such capitalisation; or
- 152.5.2 the payment up by the Company on behalf of such holders by the application thereto of their respective proportions of the reserves or profits resolved to be capitalised, of the amounts or any part of the amounts remaining unpaid on their existing shares,
- in which event any agreement made under such authority shall be effective and binding on all such holders; and
- 152.6 generally do all acts and things required to give effect to such resolution.

153 Capital reserve

- 153.1 The Board shall establish a reserve to be called the capital reserve. All surpluses arising from the realisation or revaluation of investments and all other monies realised on or derived from the realisation, payment off of or other dealing with any capital asset in excess of the book value thereof and all other monies which are considered by the Board to be in the nature of accretion to capital shall be credited to the capital reserve. Subject to the Companies Acts, the Board may determine whether any amount received by the Company is to be dealt with as income or capital or partly one way and partly the other. Any loss realised on the realisation or payment off of or other dealing with any investments or other capital assets and, subject to the Companies Acts, any expenses, loss or liability (or provision therefor) which the Board considers to relate to a capital item or which the Board otherwise considers appropriate to be debited to the capital

reserve shall be carried to the debit of the capital reserve. All sums carried and standing to the credit of the capital reserve may be applied for any of the purposes for which sums standing to any revenue reserve are applicable.”

154 Record dates

Notwithstanding any other provision of these Articles, but without prejudice to the rights attached to any shares and subject always to the Companies Acts and the Regulations, the Company or the Board may by resolution specify any date (the **record date**) as the date at the close of business (or such other time as the Board may determine) on which persons registered as the holders of shares or other securities shall be entitled to receipt of any dividend, distribution, interest, allotment, issue, notice, information, document or circular and such record date may be on or at any time before the date on which the same is paid, made, given or served or (in the case of any dividend, distribution, interest, allotment or issue) at any time after the same is recommended, resolved, declared or announced but without prejudice to the rights of transferors and transferees of any such shares or other securities in respect of the same. No change in the register of such holders after the record date shall invalidate the same.

ACCOUNTS

155 Inspection of records

No member (other than a Director) shall have any right to inspect any accounting record or other document of the Company unless he is authorised to do so by statute, by order of the court, by the Board or by ordinary resolution of the Company.

156 Accounts to be sent to members

Except as provided in Article 157, a copy of the Company’s Annual Accounts and Report shall, not later than the date on which the Company gives notice of the annual general meeting before which they are to be laid, be delivered or sent to every member and holder of debentures of the Company and to the Auditors and to every other person who is entitled to receive notice of general meetings. However, this Article shall not require a copy of those documents to be sent to any person who under the provisions of these Articles is not entitled to receive notices from the Company or for whom the Company does not have a current address or to more than one of the joint holders of any shares or debentures.

157 Summary financial statements

The Company may, in accordance with the Companies Acts and any regulations made under them, send a summary financial statement to any member instead of or in addition to the documents referred to in Article 156. Where it does so, the statement shall be delivered or sent to the member, or made available on a website in accordance with the Companies Acts, not later than the date on which the Company gives notice of the annual general meeting before which those documents are to be laid.

158 Accounting principles and standards

The Directors may elect to prepare the annual report and accounts in accordance with generally accepted accounting principles in the United Kingdom or such other international accounting standards as may be permitted under the laws of England and Wales for the time being.

159 Valuations

- 159.1 Without prejudice to any other provisions of these Articles, a valuation of the Company’s assets shall be performed in accordance with prevailing accounting standards or in such other appropriate manner as the Board may determine.

- 159.2 A valuation of the Net Asset Value and the Net Asset Value per share shall be calculated at least annually and disclosed to members from time to time in such manner as may be determined by the Board.

160 Service of notices etc

- 160.1 Notwithstanding anything to the contrary in these Articles, any notice, document or information to be given, sent, issued, deposited, served, delivered or lodged (or the equivalent where it is sent in electronic form) to or by any person pursuant to these Articles (other than a notice calling a meeting of the Directors) shall be in writing and any such notice or document shall be deemed given, sent, issued, deposited, served, delivered or lodged (or the equivalent where it is sent in electronic form) to or at an address for the time being notified for that purpose to the person giving the notice.

In the case of a member registered on an overseas branch register any such notice or document may be posted either in the United Kingdom or in the territory in which such branch register is maintained.
- 160.4 In the case of joint holders of a share, all notices or documents shall be given to the joint holder whose name stands first in the Register in respect of the joint holding. Notice so given shall be sufficient notice to all the joint holders. Anything agreed or specified by the first-named joint holder in respect of a joint holding shall be binding on all joint holders.
- 160.5 Where a member (or, in the case of joint holders, the person first named in the Register) has a registered address outside the United Kingdom but has notified the Company of an address within the United Kingdom at which notices or other documents may be given to him or, subject to and in accordance with the provisions of the Companies Acts, of an address to which notices or documents may be sent in electronic form, he shall be entitled to have notices or documents given or sent to him at that address, but otherwise no such member shall be entitled to receive any notice or document from the Company.

- 160.10 If on three consecutive occasions notices or other documents (other than any documents to which Article 147 applies) have been sent through the post to any member at his registered address or his address for the service of notices but have been returned undelivered, such member shall not thereafter be entitled to receive notices or other documents from the Company until he shall have communicated with the Company and supplied in writing a new registered address or address within the United Kingdom for the service of notices or, subject to and in accordance with the provisions of the Companies Acts, an address to which notices may be sent in electronic form.

Until such an address has been so supplied, any notice, document or other communication sent or supplied to any member pursuant to these Articles in any manner in which it might have been sent or supplied if the death, bankruptcy or other event had not occurred shall, notwithstanding that the member is then dead or bankrupt or that any other event giving rise to the transmission of the share by operation of law has occurred and whether or not the Company has notice of the death, bankruptcy or other event, be deemed to have been properly served or delivered in respect of any share registered in the name of that member as sole or joint holder.

Proof that an envelope containing the notice or document was properly addressed and put into the post as a prepaid letter shall be conclusive evidence that the notice was given. Any notice, certificate or other document not sent by post but delivered or left at a registered address or address for service in the United Kingdom shall be deemed to have been served or delivered on the day (or, if not a working day, the next working day) and at the time on which it was so delivered or left.

163 Notice binding on transferees

Every person who, by operation of law, transfers or by any other means becomes entitled to a share shall be bound by any notice in respect of that share (other than a notice given by the Company pursuant to Article 79) which, before his name is entered in the Register, has been duly given to a person from whom he derives his title.

164 Notice by advertisement

Any notice to be given by the Company to the members or any of them, and not otherwise provided for by these Articles, shall be sufficiently given if given by advertisement in at least one national newspaper published in the United Kingdom and, where the Company keeps an overseas branch register, in at least one daily newspaper published in the territory in which such register is maintained. Any notice given by advertisement shall be deemed to have been served at noon on the day on which the advertisement first appears.

165 Suspension of postal services

Subject to the Companies Acts and to any other provision of these Articles, if at any time by reason of the suspension, interruption or curtailment of postal services or threat thereof within the United Kingdom the Company is or would be unable effectively to convene a general meeting by notices sent through the post, a meeting may be convened by a notice advertised in accordance with Article 164. Such notice shall be deemed to have been duly served on all members entitled thereto at noon on the day on which the first of such advertisements appears. In any such case the Company shall send confirmatory copies of the notice by post if, at least seven days prior to the meeting, the posting of notices to addresses throughout the United Kingdom again becomes practicable.

WINDING-UP

166 Continuation Vote

At the annual general meeting of the Company to be held in 2021 and at every fifth annual general meeting thereafter, an ordinary resolution will be proposed that the Company should continue as presently constituted. If that resolution is not passed, the Board will formulate proposals to be put to members to wind-up, reorganise or reconstruct the Company.

167 Division of assets

If the Company is wound up, the liquidator may, with the sanction of a special resolution of the Company and any other sanction required by law, divide among the members (excluding any member holding shares as treasury shares) *in specie* the whole or any part of the assets of the Company and may, for that purpose, value any assets and determine how the division shall be carried out as between the members or different classes of members. Any such division may be otherwise than in accordance with the existing rights of the members, but if any division is resolved otherwise than in accordance with such rights, the members shall have the same right

of dissent and consequential rights as if such resolution were a special resolution passed pursuant to section 110 Insolvency Act 1986. The liquidator may, with the like sanction, vest the whole or any part of the assets in trustees on such trusts for the benefit of the members as he, with the like sanction, shall determine, but no member shall be compelled to accept any assets on which there is a liability.

168 Transfer or sale under section 110 Insolvency Act 1986

A special resolution sanctioning a transfer or sale to another company duly passed pursuant to section 110 Insolvency Act 1986 may in the like manner authorise the distribution of any shares or other consideration receivable by the liquidator among the members (excluding any member holding shares as treasury shares) otherwise than in accordance with their existing rights, and any such determination shall be binding on all the members, subject to the right of dissent and consequential rights conferred by the said section.

171 Obligation to provide information to the Company

- 171.1 In addition to the right of the Board to serve notice on any member pursuant to Article 78, the Board may serve notice on any member requiring that member to promptly provide the
